HALIFAX

Noise Event Request

ACTIVITY, DATE & TIMES

Construction Activity Description

Pour and finish concrete slab.
Located Pump on Caledonia road access, this is at the lowest point on site, this will help with reduction of sound travel.
No radios and loud talking will be permitted before and after regular noise hours.
All gas powered equipment will be used only when needed and be maintained so that there are in good working order and quiet as possible.
Concrete trucks that are waiting to off load will sit ideal and not rev engines or drums during off hours.
This will be communicated to all trades via email of the noise restrictions and required compliance.
