

May 2016 - 17

EDP Forms

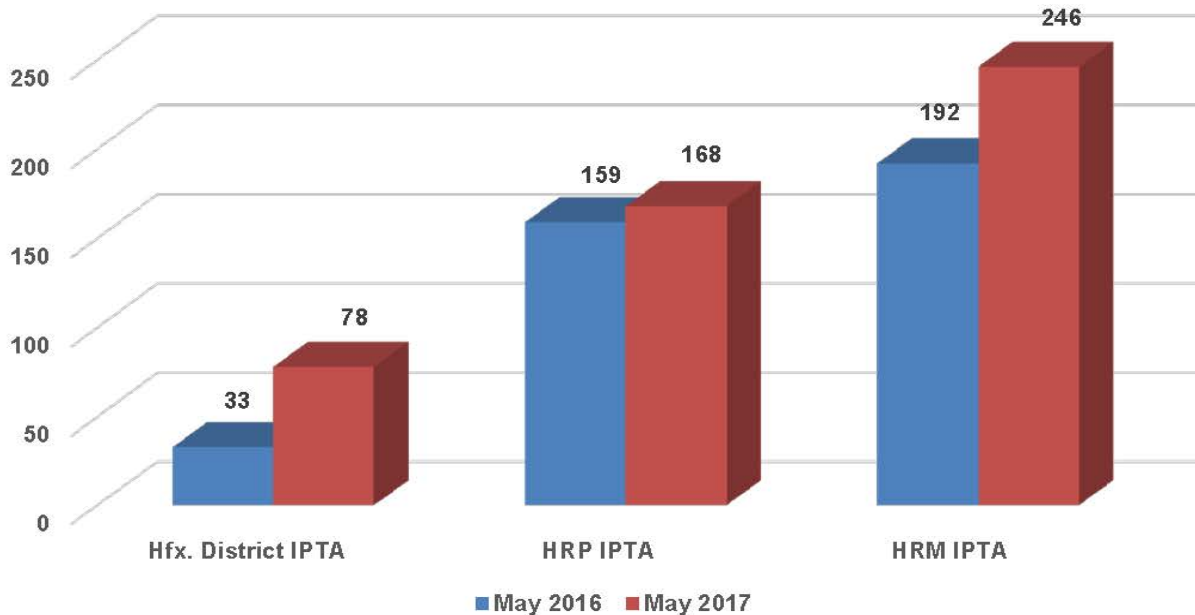

Summary

EDP Forms

HRM Policing Members complete a Emotionally Disturbed Person (EDP) form with any call that has a mental health component regardless of occurrence or offence type. In May 2017, HRM Policing experienced a 26% increase when compared to May 2016 in the processing of the EDP forms.

IPTA Hours

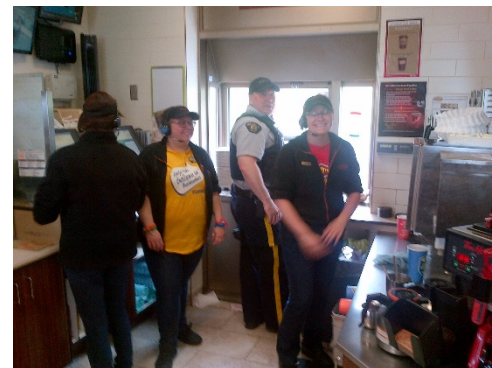

IPTA Forms

When dealing with an individual and If concerns arise by an HRM Policing officer in regards to one's state of mental health the individual may be required to attend a hospital involuntarily. If so, the officer will complete a Involuntary Psychiatric Treatment Act (IPTA). Within this form, the number of hours are recorded that are spent by the officer monitoring the individual during their hospital stay. In May 2017, HRM Policing experienced a 28% increase in hours consumed when compared to May 2016 as recorded on the IPTA forms.

Hfx. District - Board of Police Commissioner's Dashboard – June 19th, 2017

May was a busy month in Halifax District, kicking off Motorcycle Safety. Eastern Shore members teamed up with the Gold Wing Road Riders Association to promote motorcycle awareness, road safety. Many citizens showed up for Police week including the RCMP's Safety Bear, who appears to look like a friendly giant beside a very small community member 😊. On May 13-14, the Jamaican Olympic Ice Hockey Team U-20 arrived in NS for a two-day hockey event. A variety of events took place including a welcoming event at the Black Cultural Centre and a ceremonial puck drop. Cobequid Probus a group for retired professions of all types started a new club in Sackville pictured with Cst. Botham. Members of Hfx.Dist. Serve up Double Double's for Tim Horton's Camp Day!

Police Week 2017

Halifax Regional Police and Halifax District RCMP invited the public to a free showcase at Mic Mac Mall on May 13. The showcase kicked off National Police Week (May 14-20), which is dedicated to increasing community awareness and the recognition of policing services while strengthening police-community ties.

To support the week, HRP tweeted and posted facts about its various units, including Traffic Unit, Mounted Unit and K9 Unit using #PoliceWeek2017.

Safe Boating Awareness Week

Safety resources and the work of the Halifax Regional Police Ports Unit were highlighted for Safe Boating Awareness Week (May 20-26). A media release was issued along with social media posts.

"We work on land and on the water to ensure safety and security in and around the Port of Halifax," says Sgt. Joe Collins.

Empowering Resilience

Halifax Regional Police Victim Services Unit was promoted to mark Victims and Survivors of Crime Week (May 28-June 3). A media release was issued along with social media posts.

International Day Against Homophobia, Transphobia and Biphobia

To recognize International Day Against Homophobia, Transphobia and Biphobia on May 17, Halifax Regional Police flew the Pride flag at police Headquarters. The day encourages people to connect and reach out to one another in an effort to end discrimination based on sexual orientation and gender identity.
