Date of Meeting: August 3, 2017		
Subject: Subscription Only Flyer Delivery Service for the Halifax Regional Municipality		
Motion for Environment and Sustainability Standing Committee to Consider: That the Environment and Sustainability Standing Committee request a staff report, with recommendations, on making the delivery of flyers in the Halifax Regional Municipality by subscription only, so that residents are required to opt-in to receive the service rather than the current model of having to opt-out if the service is unwanted.		
Reason: Numerous complaints in regard to unwanted flyer delivery; and, the difficulty experienced by residents in obtaining a successful "opt-out" of the flyer delivery service.		
Outcome Sought: Recommendations from staff on implementation of a subscription only flyer delivery service rather than the current "opt out" service.
