Subject: Name Change for Industrial Park located in Beechville		
Motion for Council to Consider: Request a staff report to consider renaming the 'Lakeside Industrial Park' to the Beechville Industrial Park. The report should also include consideration to be given to renaming Lakeside Park Drive to Beechville Park Drive.		
Reason: The lands and road are geographically located in Beechville and there is community support to have this change made.		
Outcome Sought: Staff report to consider changing the Industrial Park name and street to better represent the geographic area it is in.
