Date of Community Council Meeting: October 5, 2017

Subject: Petpeswick Inlet / Little River Water Quality Assessment Study

Motion for the Harbour East Marine Drive Community Council to Consider:

That Harbour East Marine Drive Community Council approve funding in the amount of \$1,400.00 from the Musquodoboit Harbour Common Area Rate account for the Petpeswick Inlet / Little River Water Quality Assessment Study.

Reason:

The Petpswick Inlet/Little River area requires a Water Quality Assessment Study to examine water quality in the area.

Sections 29 (2), 29(3) and 29(6) of the Charter state:

(2) A community council may determine expenditures, to be financed by area rate, that should be made in, or for the benefit of, the community.

(3) Except in the first year that it is established, a community council shall submit to the Council its proposed operating budget for services to be provided to the community to be financed by area rate and its proposed capital budget for projects for which the Municipality will be required to borrow money and will charge back all or part of the debt charges to the community.

(6) A community council may determine upon what money contained in the budget approved by the Council is spent, if the sum of all expenditures does not exceed the sum so approved.

Outcome Sought:

That Harbour East Community Council approve the requested funding for a water quality assessment study.

Councillor David Hendsbee
