

September 2017

Halifax District - School Safety

Summary

Back to school was a focus for Halifax District in September with a number of initiatives taking place within the school zones. School buses were followed while on their routes to ensure student safety while boarding as well as acting as a deterrent to drivers considering passing the buses while idle. Radar checkpoints were conducted in the school zones along with monitoring of crosswalks and discussions with crossing guards. A number of foot patrols were done at the schools with introductions to principals, staff and students. Participation, monitoring and follow ups were done during and after school Lock down drills.

Hfx. District - Board of Police Commissioner's Dashboard October 16th, 2017

A Canadian magazine, 'FLARE', contacted the RCMP and advised as part of **Canada 150 celebrations** they were featuring 100 plus women as part of their FLARE #HowIMadeIt campaign. The story celebrates "100+ talented, ambitious and driven Canadian women with cool jobs." Hfx. District's own Cst. Melanie Cambia was interviewed and featured in the article. Thank to all Partners in Policing for the smooth ride given to the Coast to Coast ride for Kids with Cancer. These Cancer Specialists and team Members rode BICYCLES from **White Rock BC to the IWK here in Halifax.** Musquodoboit Harbour organized 3 special checkpoints the same day throughout the area for back to school. 100's of cars were stopped and were provided with information on school zones, school bus safety as well as the move over law.

Summary

Back to school was a focus for HRM policing in September. A number of initiatives took place within the schools zones.

School buses were followed while on their routes to ensure student safety while boarding as well as acting as a deterrent to drivers considering passing the buses while idle. Monitoring of crosswalks for speeding and compliance as well as discussions with crossing guards were conducted. While assisting with traffic and parking in school zones, officers also monitored drivers for distracted driving violations.

HRP School Safety : Tickets Issued in School Zones
September 2017

Mayor’s Welcome Party

Members of Halifax Regional Police (HRP) attended the Mayor’s Welcome Party for International Students at Halifax Central Library Saturday, September 9. Officers met new international students and educated guests on responsible drinking using the Fatal Vision goggles.

HRP Celebrates Pink Shirt Day

HRP stood up against bullying on Thursday, September 14. Some members - including Cst. Sam Côté and Sarge - wore pink to remind people to be kind to one another and not to be a bully. The HRP Bully Hotline was also promoted on social media.

HRP Celebrates Orange Shirt Day

On Thursday, September 30 police officers wore the colour orange and took to social media to commemorate Orange Shirt Day. A day where communities come together in the spirit of reconciliation and hope – because every child matters.

Canadian Police and Peace Officers Memorial

HRP sworn and civilian employees travelled to Ottawa to participate in the National Police and Peace Officers’ Day ceremony on Sunday, September 24.

Members marched Sunday morning, along with thousands of other police and peace officers from across Canada, in our nation’s capital to honour Canadian officers who lost their lives answering the call of duty.
