DATE: November 7, 2017

SUBJECT: Second Quarter 2017/18 Financial Report

ORIGIN

Staff has committed to provide Council with quarterly financial reports including:

- a report of the projected General Rate surplus/deficit by area;
- a report detailing District Capital expenditures in accordance with the District Capital Fund Policy approved by Council on July 31, 2007;
- a report detailing District Activity expenditures in accordance with the District Activity Policy approved by Council October 7, 2003;
- regular updates on the balance in the Capital Reserve Pool (CRESPOOL) as requested by Regional Council on October 23, 2001;
- a report detailing Recreation Area Rate expenditures in accordance with the Recreation Area Report Policy approved by Council on May 14, 2002; and,
- a report of Project budget increases related to cost-sharing, with no net impact to HRM as per the policy approved by Council April 24, 2007 and amended May 2013.

LEGISLATIVE AUTHORITY

Halifax Regional Municipality Council approved, December 11, 2012, that all budget increases are to be presented to the Audit and Finance Standing Committee, prior to submission to Council.

Halifax Charter, section 93(1) - The Council shall make estimates of the sums that are required by the Municipality for the fiscal year; Halifax Charter, section 79(1) - Specifies areas that the Council may expend money required by the Municipality; Halifax Charter, section 35(2)(d)(i) - The CAO can only authorize budgeted expenditures or within the amount determined by Council by policy; Halifax Charter, section 120(6) - The Municipality may maintain other reserve funds for such purposes as the Council may determine; Halifax Regional Municipality policy on Changes to Cost Sharing for Capital Projects - Changes requiring Council approval; and the Halifax Regional Municipality Administrative Order 2014-015 Respecting Reserve Funding Strategies - No reserve funds will be expended without the CAO's recommendation and Council approval.

RECOMMENDATION

It is recommended that the Audit & Finance Standing Committee forward the Second Quarter 2017/18 Financial Report to Regional Council for their information.

DISCUSSION

Operating Statement:

At September 30, 2017, HRM had projected a General Rate deficit of \$635,800 (Attachment #1).

The business units have a projected deficit of \$3.3m partially offset by a projected surplus of \$2.7m in Fiscal Services.

The projected deficit is primarily due to overtime requirements resulting from backfilling positions and additional staffing requirements for Fire & Emergency Services, as well as unrealized parking fee revenues due to rate increase delays and poor performance of a parking enforcement contractor.

The projected deficit is partially offset by increased revenues, mainly deed transfer taxes, investment interest, and collection of outstanding Federal PILT receivable.

A detailed explanation of variances by business unit is included in Attachment #1.

Consolidated Financial Statements:

The unaudited consolidated financial statements of HRM for September 30, 2017 are included as Attachment #2.

Project Statement:

The Project Statement as at September 30, 2017 is included as Attachment #3 to this report. The current gross budget for active projects is \$1,204.1m. The actual expenditures as at September 30, 2017 were \$898.6m and commitments were \$140.5m, resulting in total actuals and commitments of \$1,039.1m, leaving an available balance, as at September 30, 2017, of \$255.9m.

District Capital Funds:

The report of expenditures from Councillors' District Capital Funds is included as Attachment #4 and shows that \$2.4m of the \$3.1m budget has been spent or committed.

District Activity Funds:

The report of expenditures from Councillors' District Activity Funds is included as Attachment #5 and shows that \$45.4k of the \$69k budgeted has been spent.

Recreation Area Rate Accounts:

The details of the Recreation Area Rate Accounts are in Attachment #6. These Accounts began the year with a surplus of \$1.8m. \$0.5m in Area Rate revenue has been earned and \$0.5m has been spent, leaving a surplus of \$1.8m.

Reserves Statement:

The reserve balances at September 30, 2017 are \$200.5m. There are approximately \$154.2m of approved pending transfers out of reserves and pending revenue of \$40.1m resulting in projected available funds at March 31, 2018 of \$86.4m. This is a decrease of \$41.9m from the 2017/18 Reserve Budget. The net decrease can be attributed to the following significant decreases (increases) to the budgeted reserve balances:

Summary of Unbudgeted Reserve Transactions by Type
 As at September 30, 2017

	Decrease (Increase) in Projected Reserve Balance
Decrease property sale revenue:	
Decreased revenue from postponed sale of Bloomfield property, Red Cross building, and St. Pat's High School and decreased projected industrial park sales offset by increased revenue of various land sales	37,381,888
Approved Council Expenditures/Pending Council Approvals to increase withdrawal from reserves to fund either capital projects or operating costs:	
Increased withdrawals to fund parking lot reconstruction for the Maritime Conservatory of Performing Art Society and Maritime Muslim Academy, LED conversion of HRM street lights, water servicing in Fall River, CN railway crossing repairs, WE Day Atlantic and Cole Harbour Place project	4,504,254
Decrease in budgeted interest primarily related to decrease in land sale revenue	292,232
Other revenue includes items such as lease revenue, non development penalties, vehicle sales, gas tax funding and transfers from other reserves:	
Reduction in savings in electricity costs from the conversion of HRM street lights offset with increase in gas tax funding, revenue from non-development fees, temporary construction easements, vehicle sales and a license and conversion agreement	(270,281)
Total decrease (increase) in projected reserve balances	41,908,093

Further reserve details as well as a detailed report on the Parkland Development Reserve are included in Attachment #7.

Capital Reserve Pool Balance:

Any debt funding that is not required at the completion of a project is moved to the Capital Reserve Pool (CRESPOOL), and will be used to cover cost increases in approved projects and/or to reduce the amount of long-term debt required to fund the Capital Budget of the following fiscal year. Attachment #8 shows the negative balance in the Capital Reserve Pool (CRESPOOL) is \$0.9m, as of September 30, 2017.

Changes to Cost Sharing for Projects:

For the six-month period ended September 30, 2017, HRM received cost sharing for 17 projects totalling \$2.9m. Complete details of the amounts received and the associated projects are included in Attachment #9.

Aged Accounts Receivable:

The Aged Accounts Receivable schedule, included as Attachment #10, represents HRM's gross unconsolidated accounts receivable position which was \$373.4m as at September 30, 2017.

Assessment Appeals Summary:

The Assessment Appeals Summary, included as Attachment #11, represents property assessment appeals filed by property owners to Property Valuation Services Corporation for the 2017 Roll and the net revenue impact to HRM for the six-month period ended September 30, 2017. Outstanding appeals from 2016/17 and prior years are allowed for in the 2017/18 valuation allowance. Any outstanding 2017/18 appeals remaining at year-end will be allowed for in the valuation allowance at end of year.

Miscellaneous Trust Funds Financial Statements:

The unaudited financial statements of the miscellaneous trust funds of HRM are included as Attachment #12 and show equity of \$7.6m.

Capital Projection Summary:

The Capital Projection Summary, which contains a subset of projects included in the Project Statement, is included as Attachment #13. For the six-month period ended September 30, 2017 actual expenditures in these projects were \$105.3m. Project Managers are projecting to spend \$241.0m on these projects in Fiscal 2017/18.

**Halifax Regional Municipality
Operating Results Projected to March 31, 2018**

HALIFAX REGIONAL MUNICIPALITY
Explanation of Projected Surplus/(Deficit)
For the Period Ending September 30, 2017

BUSINESS UNIT VARIANCE ANALYSIS	Net Surplus / (Deficit)
Auditor General - The projected surplus relates to compensation and benefits being lower due to attrition and turnover (\$137.4k). This is partially offset by miscellaneous adjustments (\$900).	\$136,500
CAO - No change.	\$0
Halifax Regional Fire & Emergency - The projected deficit primarily relates to overtime costs incurred backfilling 25 existing firefighter positions within Operations (\$747.3k), costs related to additional staffing requirements on trucks (\$1.3M), costs related to backfilling Operations staff either conducting or participating in training (\$669.8k), and other overtime requirements (\$176.5k). Non-compensation costs include increase in clothing/uniform requirements for career and volunteer firefighters (\$190.5k), increase in equipment and communication costs related to requirement for medical supplies and oxygen for stations, pagers for new core-area volunteers and increased repair costs for existing equipment (\$163.6k), increase in recruiting/training costs related to new recruits (\$165k), increase in building costs related to renovations or repairs at various fire stations (\$33k), and the net impact of miscellaneous adjustments (\$32k).	(\$3,477,700)
Finance & Asset Management - The projected surplus relates to an increase in revenue net of expenses from tax sale recoveries (\$35.5k), increase in lease revenue (\$68.5k), unbudgeted credit card recoveries (\$87.7k), and a decrease in compensation and benefits related to the transfer of two Business Analysts to Corporate & Customer Service (\$121.6k). This is partially offset by an increase in compensation and benefits for two unbudgeted positions transferred from ICT for ongoing support of Fleet Focus (\$42.3) a new position created in support of the Municipal Benchmarking Network Canada project, offset by savings in ICT (\$63k), attrition and turnover lower than anticipated primarily related to an error which removed positions in Revenue without reducing the vacancy target (\$44.9k), a decrease in false alarm recoveries related to a delay in the rate increase (\$60k), lower than budgeted tender recoveries (\$27.7k) and miscellaneous non-compensation adjustments (\$26.3k).	\$49,100
Human Resources/Diversity & Inclusion - The projected surplus is due to receipt of unbudgeted funds from the Province of Nova Scotia for staff secondment and diversity related programs (\$185.8k); and miscellaneous adjustments to assist with offsetting higher compensation costs (\$49.8k). This is offset by hiring staff for implementation of Diversity & Inclusion program (\$105k); increased program costs related to the Local Immigration project (\$44.2k); external resources required to support the overall recruitment volume (\$61.9k); and an increase in contract services for HR related initiative (\$24.4k).	\$100
Legal, Municipal Clerk & External Affairs - The projected deficit is related to an increase in grants due to the annual service agreement with the Greater Halifax Partnership exceeding budget (\$34.8k), increase in external services related to a secondment from the Province from a prior year (\$34k) and an increase in compensation and benefits due to the creation of a new Legislative Support Assistant position (\$11k) and grant funded hiring initiatives (\$47.4k) which are offset by an increase in revenue (\$53.8k) and attrition and turnover (\$5k). Additionally a decrease in cases requiring outside legal counsel (\$18k) an increase in revenue related to legal services provided (\$27.1k), and the net impact of miscellaneous adjustments (\$16.8k).	(\$6,500)
Transportation and Public Works - The projected surplus is primarily related to an increase in revenues in solid waste for diversion credits, Divert Nova Scotia's year end actual financial position is attributable to the increase (\$800k); reduced waste tonnage at Otter Lake Facility (\$200k); an amount accrued last fiscal year for HST liability that is no longer required (\$200k); and miscellaneous non-compensation adjustments (\$10.4k). This is partially offset by increased costs for compensation and benefits primarily relating to attrition and turnover being lower than anticipated (\$93k); fewer than anticipated permits issued, primarily Heritage Gas permits, natural gas prices have been high the last couple of years contributing to the decline (\$89k); There is also a projected net zero change relating to a deficit in streetlighting due to LED replacement contract schedule delayed, resulting in less than expected maintenance and electricity savings (\$1m); offset by a reduced contribution to reserves due to the reduction in maintenance and electricity savings (\$1m).	\$1,028,400
Halifax Transit - The projected deficit of \$1.4m will be carried forward to 2018/19 resulting in revenue equaling expenses. The deficit is due to a reduction in fare revenue as a result of lower than expected ridership and implementation of the Low Income Transit pass (\$1.7m). This is partially offset by a carried-forward prior year surplus (\$176.4k); compensation lower due to attrition, turnover and other compensation related adjustments (\$66.4k); and savings related to service changes in support of the Big Lift and service expansion projects (\$57.2k).	\$0
Planning and Development - The projected deficit primarily relates to unrealized parking fee revenue due to delay in increasing rates and poor performance of parking enforcement contractor (\$2.0m), unfunded integrated mobility plan costs (\$223.6k) and miscellaneous adjustments (\$109.3k). This is partially offset by a surplus in sign and encroachment revenue due to increase in construction (\$410k), animal license revenue (\$70k) due to higher than anticipated participation in lifetime option plan, various miscellaneous increases in revenue (\$193.1k), compensation and benefits lower due to attrition and turnover (\$282.8k), and net savings due to not renewing parking enforcement contract (\$128k).	(\$1,249,000)
Parks & Recreation - The projected deficit primarily relates to unbudgeted contract costs for operations and maintenance of parks (\$150K) and a net reduction of revenues at Sackville Sports Stadium, primarily due to vacated lease space (\$99.5K). The projected net deficit overall is partially offset by a surplus in unbudgeted revenue for arenas (\$185.8k) and Canada Day celebrations (\$50k).	(\$13,700)

HALIFAX REGIONAL MUNICIPALITY
Explanation of Projected Surplus/(Deficit)
For the Period Ending September 30, 2017

<p>Halifax Regional Police - The projected surplus is related to a decrease in compensation and benefits due to attrition and turnover (\$298.2k), increase in officer secondments and summary offence ticket recoveries (\$462.4k), increase in Council approved Reserve transfer to offset consulting costs for new facility plan (\$106.5k), decrease in equipment purchases (\$149k) and decrease in outside policing costs due to joint investigative efforts (\$137k). This is partially offset by an increase in overtime and court time requirements associated with criminal investigations (\$648.5k), increase in on the job injury costs (\$77k), increase in uniform and patrol equipment costs related to hiring, contractual increases with uniform suppliers and deployment of additional officers to the Bike Patrol Unit (\$167.2k), increase in consulting costs related to new facility plan (\$106.5k), a decrease in criminal record check and false alarm recoveries (\$52.8k) and other miscellaneous non-compensation adjustments (\$56k).</p>	<p>\$45,100</p>
<p>Outside Police Services (RCMP) - The projected deficit relates to annual costs for outside police services being higher than budgeted (\$64.4k) received letter confirming annual total from the Provincial Department of Justice.</p>	<p>(\$64,400)</p>
<p>Corporate and Customer Services - The projected surplus is due to compensation being lower due to attrition and turnover (\$1.1m); labour chargebacks for services performed for other business units (\$250k); costs for business application software and licenses being lower than anticipated (\$405k); delay in implementation of French translation of news releases and other projects (\$90k); receipt of staff time recovery from Halifax Water for the Enterprise Asset Management project (\$47k); and other miscellaneous adjustments (\$105.4k). This is offset by an increase in computer software and licenses due to acquisition of new software, shortfall in OCC fund and unexpected increases for contract renewals (\$618.8k); increased costs in Facility operations and maintenance (\$750.5k); additional resources required to conduct Corporate Performance Excellence Training (\$164.6k); increased vehicle related expenses due to work being performed externally as a result of staff shortages (\$193.6k); increased overtime to cover attrition, turnover, and after-hours IT support, etc. (\$76.5k).</p>	<p>\$193,400</p>
<p>Library - No change.</p>	<p>\$0</p>
<p>TOTAL BUSINESS UNIT PROJECTED SURPLUS/(DEFICIT)</p>	<p>(\$3,358,700)</p>

HALIFAX REGIONAL MUNICIPALITY
Explanation of Projected Surplus/(Deficit)
For the Period Ending September 30, 2017

FISCAL SERVICES VARIANCE ANALYSIS	Net Surplus / (Deficit)
Deed Transfer Tax - Deed transfer taxes are expected to be above budget due to increased sales activity in the real estate market.	\$1,500,000
Fire Protection - As the fire protection costs continue to reduce, we attempt to adjust the tax rate to anticipate the decline. The estimated rate was in excess of costs (\$620.4m). The surplus is carried forward to future years and will reduce the tax rate going forward (\$620.4m).	\$0
Investment, Interest, Parking Meters and Misc. Revenue - The projected surplus is primarily due to increase in investment interest which is attributable to an increase in cash flow and increase in Bank of Canada's prime rate (\$360k) and interest received due to outstanding Federal PILT receivable (\$45k).	\$405,000
Property Tax, Tax Agreements and Halifax Water Dividend - The surplus is due to receipt of tax agreement revenue being higher than anticipated.	\$183,000
Tax Supported Debt - The projected surplus is due to interest payments for the 2017 Spring issue being lower than budget primarily due to a lower debt issue than expected.	\$272,100
Valuation Allowance - The projected surplus is due to collection of outstanding Federal PILT receivable.	\$500,000
Miscellaneous Adjustments - Primarily Nova Scotia Power HST Offset and miscellaneous adjustments to PILT accounts.	(\$137,200)

HALIFAX REGIONAL MUNICIPALITY

Notes to Unaudited Consolidated Financial Statements

As at September 30, 2017

(In thousands of dollars)

1. Significant accounting policies:

(a) Basis of presentation:

The consolidated financial statements of the Halifax Regional Municipality (the "Municipality") have been prepared by management in accordance with Canadian public sector accounting standards.

(b) Basis of consolidation:

These consolidated financial statements reflect the assets, liabilities, revenues and expenses of the Municipality. The Municipality is comprised of all organizations, committees and local boards accountable for the administration of their financial affairs and resources to the Municipality and which are owned or controlled by the Municipality, except the Halifax Regional Water Commission which is accounted for on the modified equity basis of accounting. The entities included are as follows:

Recreation facilities:

- BMO Centre
- Canada Games Centre
- Centennial Pool Association
- Community Builders Inc. (Cole Harbour Place)
- Dartmouth 4 Pad
- Dartmouth Sportsplex Community Association
- Eastern Shore Recreation Commission
- Halifax Forum Community Association
- Scotiabank Centre
- Halifax Regional Municipality Centennial Arena Commission
- Sackville Sports Stadium
- St. Margaret's Community Centre Association

Commissions, cultural and other facilities:

- Alderney Landing Association
- Downtown Dartmouth Business Commission
- Downtown Halifax Business Commission
- Main Street Dartmouth and Area Business Improvement Association
- MetroPark Parkade Facility
- North End Business Association
- Quinpool Road Mainstreet District Association Limited
- Sackville Business Association
- Spring Garden Area Business Association
- Spryfield & District Business Commission

Halifax Regional Library

Interdepartmental and inter-organizational transactions and balances between these entities and organizations have been eliminated.

Notes to Unaudited Consolidated Financial Statements

As at September 30, 2017
(In thousands of dollars)

1. Significant accounting policies (continued):

(c) Investment in the Halifax Regional Water Commission:

The Halifax Regional Water Commission (the "HRWC") is a corporate body without share capital and is accounted for using the modified equity basis of accounting; consistent with public sector accounting standards, as recommended by PSAB for an investment in a government business enterprise. Under the modified equity basis of accounting, the HRWC's accounting principles are not adjusted to conform to those of the Municipality and inter-organizational transactions and balances are not eliminated.

The Municipality recognizes its equity interest in the annual net income or loss of the HRWC in its consolidated statement of operations with a corresponding increase or decrease in its investment account.

(d) Basis of accounting:

Revenues and expenses are recorded on the accrual basis of accounting. The accrual basis of accounting recognizes revenues as they are earned and measurable and expenses are recognized as they are incurred and measurable as a result of the receipt of goods or services and the creation of a legal obligation to pay.

(e) Use of estimates:

The preparation of consolidated financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenue and expenses during the period. Significant estimates include assumptions used in estimating provisions for accrued liabilities, landfill liability, contaminated sites liability and in performing actuarial valuations of employee future benefits. These estimates and assumptions are based on the Municipality's best judgement and may differ significantly from actual results.

(f) Taxation and related revenues:

Property tax billings are prepared by the Municipality based on assessment rolls issued by the Property Valuation Services Corporation. Tax rates are established annually by Council, incorporating amounts to be raised for local services and the requisition made by the Province of Nova Scotia in respect of contributions to education. Taxation revenues are recorded at the time tax billings are due. Assessments and the related property taxes are subject to appeal. Tax adjustments as a result of appeals are recorded when the results of the appeal process are known. An allowance for unresolved assessment appeals is also provided.

(g) User fees and charges:

User fees relate to transit fees, fees for various programs and fees imposed on specific activities. Revenue is recognized when the activity is performed or when the service has been rendered.

(h) Government transfers:

Government transfers are recognized in the period in which events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be made, except when and to the extent that stipulations associated with the transfer give rise to a liability. If a liability is created, the satisfaction of the transfer stipulations by the recipient government determines the timing of the recognition of the transfer as revenue.

(i) Short-term deposits and investments:

Short-term deposits and investments are recorded at cost, adjusted for amortization of premiums or discounts in accordance with the investment policies established for the Municipality. A permanent decline in value would result in a write-down to recognize the loss and be included in the statement of operations.

Notes to Unaudited Consolidated Financial Statements

As at September 30, 2017

(In thousands of dollars)

1. Significant accounting policies (continued):

- (j) Land held for resale:
Land held for resale is recorded at the lower of cost or net realizable value. Cost includes amounts for improvements to prepare the land for sale or servicing.
- (k) Contaminated sites:
The Municipality accrues a liability to estimate the cost to remediate contaminated sites to the level necessary to allow the property to meet the environmental standard appropriate to its current use or status. The liability is based on estimates and assumptions using the best information available to management.
- (l) Deferred revenue:
Deferred revenue represents taxes, user charges and other fees that have been collected, for which the related services have yet to be performed. These amounts will be recognized as revenue in the period the services are performed.
- (m) Pension, post-employment benefits and compensated absences:
The contributions to a multi-employer, defined benefit pension plan are expensed when contributions are due. The costs of post-employment benefits are recognized when the event that obligates the Municipality occurs. Costs include projected future income payments and fees paid to independent administrators of these plans, calculated on a present value basis.
The costs of post-employment benefits and compensated absences are actuarially determined using the projected benefits method prorated on service and management's best estimate of retirement ages of employees, salary escalation and expected absences. Liabilities are actuarially determined using discount rates that are consistent with the market rates of high quality debt instruments. Any gains or losses from changes in assumptions or experience are amortized over the estimated average remaining service life ("EARSL") for the related employee group.
- (n) Solid waste management facilities liabilities:
The Municipality accrues landfill closure and post-closure care requirements that include final covering and landscaping of the landfill, pumping of ground water and leachates from the site, and ongoing environmental monitoring, site inspection and maintenance. The reported liability is based on estimates and assumptions using the best information available to management.
Future events may result in significant changes to the estimated total expenses, capacity used or total capacity and the estimated liability, and would be recognized prospectively, as a change in estimate, when applicable.
- (o) Non-financial assets:
Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.
 - i) Tangible capital assets
Tangible capital assets are recorded at historical cost or estimated historical cost, based on appraisals or other acceptable methods where historical cost was not available, which includes amounts that are directly attributable to the acquisition, construction, development or betterment of the asset. The cost of normal maintenance and repairs which do not add value to the asset or materially extend the useful life of the asset are not capitalized. The cost, less residual value of the tangible capital assets, are amortized on a straight line basis over their estimated useful lives as follows:

1. Significant accounting policies (continued):

(o) (i) Tangible capital assets (continued):

Asset	Useful Life – Years
Land improvements	10 - 50
Buildings and building improvements	15 - 40
Vehicles	5 - 15
Machinery and equipment	5 - 10
Dams	40
Roads and infrastructure	5 - 75
Ferries	2 - 30

The useful life for landfill cells, which are included in land improvements, is based upon the capacity of each cell.

Leasehold improvements are amortized over the shorter of the term of the lease (including one renewal period, if provided for) or the useful life of the asset.

For assets with a useful life of 5 years or less, amortization will commence in the year the asset is available for use, and be recorded at 50% of the annual charge in the first and last years of the asset's useful life. For assets with a useful life greater than 5 years, amortization will commence in the year following the year the asset is put into use.

Roads and infrastructure includes road beds, road surfaces, infrastructure and bridges. The useful life of these assets are as follows: road beds - 40 years, road surfaces - 5 to 20 years, infrastructure - 20 to 30 years and bridges - 75 years.

The school buildings which are owned by the Municipality but in use by the Halifax Regional School Board are not recorded as tangible capital assets. No amortization is recorded by the Municipality as long as the buildings are in use by and under the control of the Halifax Regional School Board.

ii) Contributions of tangible capital assets

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt and are also recorded as revenue.

iii) Natural resources

Natural resources that have not been purchased are not recognized as assets.

iv) Works of art and cultural and historic assets

Works of art and cultural and historic assets are not recorded as assets, unless used in the provision of a municipal service.

v) Interest capitalization

The Municipality does not capitalize interest costs associated with the acquisition or construction of a tangible capital asset.

vi) Leased tangible capital assets

Leases which transfer substantially all of the benefits and risks incidental to ownership of property are accounted for as leased tangible capital assets. All other leases are accounted for as operating leases and the related payments are charged to expenses as incurred.

8. Employee future benefits - employees' retirement pension plan:

Employees of the Municipality participate in the Halifax Regional Municipality Pension Plan (the "HRM Plan"). The HRM Plan is a multi-employer plan administered by the Halifax Regional Municipality Pension Committee (the "Committee"). Other employers participating in the HRM Plan include the Halifax Regional School Board and Quest. The Committee is comprised of representatives from both management and unions, and is responsible for setting contribution rates for all participating employers. The HRM Plan is funded equally by participating employers and members. Accounting for the HRM Plan under the Municipality's consolidated financial statements follows rules for defined contribution pension plans.

The HRM Plan provides a lifetime benefit representing 2% of the member's highest average earnings over a period of three years times the number of years of credited service in the pension plan. Only regular earnings are recognized under the defined benefit provisions of the HRM Plan. The HRM Plan also provides defined contribution benefits, at the option of the member, on the portion of earnings that is overtime and other non-regular earnings.

The Municipality contributed to the HRM Plan an amount of \$16,245 for the period ending September 30, 2017 (September 30, 2016 - \$15,703, March 31, 2017 - \$31,615). Since January 1, 2016, the Municipality and the members are each contributing 12.21% of regular earnings for members participating in the main division of the pension plan. Other contribution rates are in effect for the other divisions of the plan, and for The last actuarial valuation filed with regulators was at December 31, 2015. The next actuarial valuation, at December 31, 2016, is to be filed by September 30, 2017. The interest rate used in the last filed valuation was 6.55% per year. The following estimates as at December 31, 2016 are based on the actuarial valuation as at December 31, 2015 extrapolated to December 31, 2016 and is based on a best estimate discount rate assumption of 7.25% per annum (2015 - 7.25%).

9. Employee future benefits - retiring allowances and other future benefits:

The Municipality provides for the payment of retiring allowances to retiring employees in accordance with the terms of the various collective agreements and Municipal policy. The retiring allowance is based on the member's final annual salary and years of service at retirement. On the retirement of a police officer, the Municipality also provides for a lump sum payment to a health trust for the benefit of the retiring member. The amount depends on the level of the officer's sick bank at the time of retirement.

The Municipality continues to pay for its share of the contributions to the HRM Plan for members in receipt of benefits from a long-term disability plan sponsored and recognized by the Municipality.

The Municipality also provides for employee sick leave. Unused sick leave accumulates to a maximum number of hours which varies by employment agreement. Under this program, employees are not entitled to a cash payment in lieu of sick leave when they leave the Municipality's employment except as described above with respect to the retirement of a police officer.

The Municipality also pays lifetime and temporary benefits to former employees who retired from the Municipality under various early retirement programs and arrangements that were in place prior to April 1, 2004.

Actuarial valuations of the above benefits are done for accounting purposes using the projected benefit method prorated on services. The last actuarial valuation of the unused sick leave benefits was conducted as at March 31, 2015. The last actuarial valuation of the police health trust benefits was conducted as at March 31, 2017. For all other benefits, actuarial valuations were conducted as at March 31, 2016. Key actuarial assumptions used in the valuations were based on the Municipality's best estimates.

A reconciliation of the accrued benefit obligation for these plans, along with the main assumptions used for disclosure and expense calculations are as follows:

10. Solid waste management facilities liabilities:

The Nova Scotia Environmental Protection Act (the "Act") sets out the regulatory requirements for the closure and maintenance of landfill sites. Under this Act, the Municipality is required to provide for closure and post closure care of solid waste landfill sites.

The estimated liability for the care of the landfill sites is the present value of future cash flows associated with closure and post closure costs discounted using a long-term borrowing rate of 2.32% (September 30, 2016 - 2.52%, March 31, 2017 - 2.16%) and a forecasted inflation rate of 1.40% (September 30, 2016 - 1.10%, March 31, 2017 - 2.05%).

Sackville Landfill:

The Sackville Landfill site closed during the year ended March 31, 1997. A closure plan and an environmental audit were completed in 1996. Post closure care activities for this site include perpetual care that will involve the management and monitoring of groundwater, gas and leachate levels, operating and monitoring the leachate treatment plant when necessary, removal of buildings, site cleanup and general site maintenance. The continuous monitoring of the site is anticipated to be ongoing.

Otter Lake Landfill:

The Otter Lake Landfill site opened during the year ended March 31, 1999 and is expected to accept waste for another 19 years, until the fiscal year ended March 31, 2036.

The site's design consists of nine cell phases with an expected total capacity of 5,200,000 tonnes (September 30, 2016 - 5,200,000 tonnes, March 31, 2017 - 5,200,000 tonnes).

Post closure care activities for this site, include perpetual care and will involve the management and monitoring of groundwater, gas and leachate levels, operating and monitoring the leachate treatment plant when necessary, removal of buildings, site cleanup and general site maintenance.

The liability was adjusted for capacity used of 100% for the closed cells and 93.20% (September 30, 2016 - 83.27%, March 31, 2017 - 90.40%) of Cell 6.

Mengoni Landfill:

The Mengoni Landfill site closed during the year ended March 31, 2008. A closure plan and an environmental audit were completed in 2008. Post closure care activities for this site include perpetual care that is expected to occur until 2029 and will involve the management and monitoring of groundwater, gas and leachate levels, operating and monitoring the leachate treatment plant when necessary, removal of buildings, site cleanup and general site maintenance.

A reserve has been established to fund the post closure care activities for the landfill sites described above.

14. Tangible capital assets (continued):

(a) Assets under construction:

Assets under construction having a value of \$122,231 (September 30, 2016 - \$91,668, March 31, 2017 - \$46,802) have not been amortized. Amortization of these assets will commence when the asset is available for productive use.

(b) Contributed tangible capital assets:

Contributed tangible capital assets have been recognized at the fair market value at the date of contribution. The value of contributed assets received during the period is \$16,401 (September 30, 2016 - \$8,235, March 31, 2017 - \$14,185) and is comprised of roads and infrastructure in the amount of \$16,401 (September 30, 2016 - \$8,235, March 31, 2017 - \$13,775), land and land improvements having a value of \$nil (September 30, 2016 - \$nil, March 31, 2017 - \$318) and machinery and equipment having a value of \$nil (September 30, 2016 - \$nil, March 31, 2017 - \$92).

(c) Tangible capital assets disclosed at nominal values:

Where an estimate of fair value could not be made, the tangible capital asset was recognized at a nominal value. Land is the only category where nominal values were assigned.

(d) Works of art and cultural and historical assets:

The Municipality manages and controls various works of art and non-operational cultural and historical assets including buildings, artifacts, paintings and sculptures located at Municipal sites and public display areas. These assets are not recorded as tangible capital assets and are not amortized.

(e) Impairment of tangible capital assets:

The impairment of tangible capital assets during the period was \$nil (September 30, 2016 - \$nil, March 31, 2017 - \$115).

(f) Roads and infrastructure:

Roads and infrastructure at September 30, 2017 have a net book value of \$931,005 (September 30, 2016 - \$926,337, March 31, 2017 - \$942,451) and are comprised of: road beds - \$271,097 (September 30, 2016 - \$277,048, March 31, 2017 - \$277,376), road surfaces - \$279,506 (September 30, 2016 - \$298,708, March 31, 2017 - \$299,667), infrastructure - \$366,268 (September 30, 2016 - \$337,807, March 31, 2017 - \$351,122) and bridges - \$14,134 (September 30, 2016 - \$12,774, March 31, 2017 - \$14,286).

16. Contingent liabilities:

- (a) As of September 30, 2017, there are a number of claims against the Municipality and its consolidated entities in varying amounts and for which provisions have been made in these consolidated financial statements, as appropriate. It is not possible to determine the amounts that may ultimately be assessed against the Municipality with respect to these claims, but management believes that any such amounts would not have a material impact on the financial position of the Municipality.
- (b) The Municipality is the plaintiff in various proceedings, which have arisen, in the normal course of carrying on its operations. It is not possible at this time to determine the amounts the Municipality may receive with respect to these claims.
- (c) In September 2014, Council approved a blanket guarantee for HRWC debt subject to HRWC maintaining a debt service ratio of 35% or less. The debt service ratio is currently 21.0% at September 30, 2017 (September 30, 2016 - 21.2%, March 31, 2017 - 21.6%). As at September 30, 2017, total outstanding debt is \$216,142 (September 30, 2016 - \$230,079, March 31, 2017 - \$226,002), with maturity dates ranging from 2016 to 2025. The Municipality is responsible for outstanding debt of \$46,500 (September 30, 2016 - \$53,071, March 31, 2017 - \$52,066) recoverable from the HRWC.

17. Financial instruments:

(a) Fair value:

The fair value of the Municipality's financial instruments that are comprised of cash and short-term deposits, taxes receivable, accounts receivable, loans, deposits and advances and accounts payable and accrued liabilities approximate their carrying value due to their short-term nature and are measured at cost or amortized cost in the statement of financial position.

The fair value of investments is considered to be market value. The market value of investments is disclosed in note 5.

It is not practical to determine the fair value of the investment in the HRWC due to the lack of comparable market information.

Unless otherwise noted, it is management's opinion that the Municipality is not exposed to significant interest or currency risks arising from these financial instruments.

(b) Credit risk:

The Municipality is exposed to credit-related losses in the event of non-performance by counterparties to the financial instruments. Wherever possible, the Municipality attempts to minimize credit exposure by dealing only with credit worthy counterparties and/or obtaining sufficient security for the applicable financial instrument.

Total	\$ 88,814	\$ 88,803	\$ 82,528	\$ 165,256

(a) School boards:

The Municipality is required to provide a mandatory contribution in the amount of \$67,745 (September 30, 2016 - \$65,968, March 31, 2017 - \$131,935) and supplementary contributions of \$8,017 (September 30, 2016 - \$8,173, March 31, 2017 - \$16,346) to the Halifax Regional School Board and the Conseil scolaire acadien provincial. These contributions are recorded as expenses in educational services.

(b) Assessment services:

The Municipality is required to pay a share of the cost of operating the Property Valuation Services Corporation based on the total municipal assessment cost times the average of the Municipality's share of the Uniform Assessment and the Municipality's share of assessment accounts. This expense is included in general government services.

(c) Social housing:

The Municipality is required to pay a share of the costs of the operations of the Metropolitan Regional Housing Authority. This expense is included in general government services.

(d) Correctional services:

The Municipality is required to make a mandatory contribution to fund the cost of correctional services. The contribution is set by provincial formula and is included in protective services.

19. Budget data:

The budget data presented in these consolidated financial statements is based upon the fiscal 2017/18 operating and capital budgets approved by Council on April 11, 2017, plus the budgeted figures of the recreation, cultural and other facilities, and commissions included in the consolidated financial statements, to the extent that they could be reasonably determined. Council approved budgets are prepared on a modified cash basis which differs from budget amounts reported on the consolidated statement of operations and change in net financial assets which are prepared in accordance with Canadian public sector accounting standards.

The accounting standards in Handbook Section PSAS 3150 Tangible Capital Assets have not been adopted for budget preparation purposes. The fiscal 2017/18 Council approved budget has been modified to reflect these adjustments.

The chart below reconciles the approved budgets to the budget figures reported in these consolidated financial statements.

20. Segmented information:

The Municipality is a diversified municipal government institution that provides a wide range of services to its citizens, including fire, police, public transit, roads, waste and recycling services, water supply and distribution, wastewater treatment, libraries, and recreation and cultural services.

Segmented information has been prepared by major functional classification of activities provided, consistent with the Consolidated Statement of Operations and provincially legislated requirements.

The major segments are as follows:

General government services: Activities that provide for the overall operation of the Municipality and that are common to, or affect all of, the services provided by the Municipality. This includes the activities of the Mayor and Council, the estimated contaminated sites liability and the following administrative activities: human resources, legal services, office of the Auditor General, finance and information, communications and technology, and the office of the Chief Administrative Officer.

As at September 30, 2017
(In thousands of dollars)

20. Segmented information (continued):

Protective services: Activities that provide for the public safety of the inhabitants of the Municipality. This includes police and fire protection and other protective services such as by-law enforcement and protective inspections.

Transportation services: Activities related to public transportation including road transport. This includes public transportation services offered throughout the Municipality using buses, ferries and specialized Access-A-Bus vehicles. Other transportation activities include the planning, development and maintenance of roads, traffic operations, parking, snow and ice control and street lighting.

Environmental services: Activities that provide environmentally regulated services. This includes the collection of garbage and other waste material, the maintenance and operation of sanitary landfill sites, solid waste landfill closure and post-closure costs allocated to the current year, and through the Halifax Regional Water Commission, water supply and distribution and wastewater treatment.

Recreation and cultural services: Activities related to the Municipality's recreation facilities, including swimming pools, skating rinks and arenas, beaches, parks, playgrounds and sports fields. Activities that provide for cultural facilities such as the library and related programs.

Planning and development services: Activities that support and control the Municipality's physical and economic development. This includes activities related to land use planning, zoning and development, activities related to the development of industrial parks, promotion of tourism and activities that enhance local economic development.

Educational services: Activities that provide for the funding of both mandatory and supplementary contributions to school boards.

For each reported segment, revenues and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in note 1.

For additional information, see the Consolidated Schedules of Segment Disclosure (see pages 32, 33 and 34).

MISCELLANEOUS TRUST FUNDS

Notes to Unaudited Financial Statements

For the period ended Sept. 30, 2017, with comparative figures for Sept. 30, 2016 and March 31, 2017

The Halifax Regional Municipality has a number of trust funds as identified in the Schedule of Fund Equity. The trust funds are in place to fund the operation, maintenance and facilities of the identified beneficiary. The trust funds have a variety of restrictions that specify the purpose for which the funds can be used.

1. Significant accounting policies:

(a) Basics of accounting

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations.

(b) Revenue recognition:

Investment income earned in the miscellaneous trust funds is recognized in the fund in which the interest bearing investment is held.

Tax sales revenue is recognized when received, generally being the date the property is sold.

Capital contribution related to various services fees are recognized as revenue in the period received.

(c) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the year. Actual results could differ from those estimates.

2. Accounts receivable:

The accounts receivable balance, \$60,428 (September 30, 2016 - \$145,956 and March 31, 2017 - \$103,938) is due from an entity controlled by the Halifax Regional Municipality. During the year, the entity made principal payments of \$43,510 (September 30, 2016 - \$40,578 and March 31, 2017 - \$82,596) and interest payments of \$3,008 (September 30, 2016 - \$5,940 and March 31, 2017 - \$10,440).

3. Investments:

	Sept. 30, 2017	Sept. 30, 2016	March 31, 2017
Shares, cost	\$ 6,410	\$ 6,410	\$ 6,410
