MEMORANDUM

TO: Chair and Members of the Western Common Advisory Committee
FROM: Gareth Evans, Recreation Planning Specialist – Parks and Recreation
DATE: November 15, 2017
SUBJECT: Western Common Advisory Committee – Campsites and Debris

Attention,

Since the last meeting of the Western Common Wilderness Common Advisory Committee, there aren't any updates regarding the removal of derelict campsites or debris. Parks staff continue to work with the community and law enforcement to ensure sites are safe to enter and remove from the Wilderness Common.

As new sites are developed throughout the Wilderness Common, Parks staff appreciate these sites being reported.
