<b>Date of Committee Meeting: January 19, 2017</b>		
<b>Subject: Live Music Strategy for HRM</b>		
<b>Motion for the CPED Standing Committee to Consider:</b>  That the Community Planning and Economic Development Standing Committee request staff prepare an information report that explores the benefits and risks of convening a government and industry-led live music working group with its primary goal to develop a live music strategy for the City. The report should also examine the governance model as well as the financial and staff resources required for support.		
<b>Reason:</b>  Also reviewing the option to appointment a working group is in line with many other Canadian cities such as Toronto, Hamilton, London, Barrie and Ottawa who have developed a live music strategy for their city.		
<b>Outcome Sought:</b>  That the Community Planning and Economic Development Standing Committee consider the option of convening and live music working group to develop a live music strategy for HRM.
