Council or Committee: CPED		Date of Meeting: December 14, 2017
Subject: Long term streetscaping program for the Regional Centre		
Motion for Council to Consider: That the Community Planning and Economic Development Standing Committee: 1. Request a staff report regarding options and opportunities for a long term streetscaping program for the Regional Centre that updates the rationale and priorities for projects, and establishes stable long term funding; and 2. That staff review the letter received by the urban core Business Improvement Districts.		
Reason: The Halifax Economic Growth Plan 2016-21 recognized that "we can improve mobility so that people can live and work more effectively" by creating a long term streetscaping program for the Regional Centre. The Urban Core Business Improvement District (BID's) recognized that developing this would improve the Regional Centre drastically.		
Outcome Sought: Development of a long term streetscaping program for the Regional Centre.
