Subject: Sea King Formation Flight 26 Jan

Laura,

As the planning for the retirement of the Sea King progresses, there has been some more changes.

The flight timing is now 1300-1500 on 26 Jan.

As well, we are requesting permission for the same timings on Mon 29 Jan in the event of inclement weather on the 26th.

I apologize for the late notice changes and thank you for your help in this matter.

Regards,

Capt Paul Quinn, CD

30 November 2017

Mayor Mike Savage
Mayor of Halifax Regional Municipality
PO Box 1749
Halifax NS B3J 3A5

Dear Mayor Savage,

To mark the end of CH-124 Sea King helicopter Operations on the east coast of Canada, 12 Wing is currently planning a fly past on 26 January 2018 that will include up to 4 helicopters in formation.

It is requested that the Halifax Regional Municipality grant permission for the Canadian Forces to fly 4 Sea King helicopters over the Halifax dockyard and Halifax Regional Municipality at a height of 500 feet above the highest obstacle in the mid to late morning.

The continued support of the Halifax Regional Municipality is very much appreciated. Should you have any questions, please do not hesitate to contact WCWO Dave Hepditch at 902-720-1004 or WCWO EA Sgt Leatherdale at 902-720-1005.

Sincerely,

Original Signed

S.A. Connor
Colonel
Wing Commander
