Date of Meeting: February 1, 2018		
Subject: Status Report on Development Applications since 2008		
Motion for Harbour East Marine Drive Community Council to Consider:		
Request a staff report outlining how many development applications have been approved by Harbour East-Marine Drive Community Council since 2008, and of these development applications, how many have been developed.		
Reason: I have observed many 'For Sale' signs on sites with approved HRM Development Applications and would like some data regarding development applications, development approvals and actual construction on site for the record.		
Outcome Sought:		
Staff report outlining how many development applications have been approved by Harbour East-Marine Drive Community Council since 2008 and of these development applications how many have been developed.
