

### VETERANS' WEEK OBSERVATIONS

Each year, from November 5th–11th, hundreds of commemorative ceremonies and events will take place across our country to commemorate Veterans' Week. These are opportunities for all Canadians to recognize the contribution our Veterans and Military personnel have made and to honour those who made the ultimate sacrifice on behalf of Canada. There are so many ways to remember and honour our Veterans: wear a poppy and attend a local Remembrance Day cenotaph ceremony. There are six cenotaphs that serve our district. They are located in Cole Harbour, North Preston, Porters Lake, Oyster Pond, Sheet Harbour and Moser River. Together, it is our duty to pass on our gratitude and keep the legacy and memories of our Canadian Veterans alive. Our deep military history and way of life recognizes the need for us to remember the sacrifices made by those who fought for our liberty, peace, security and freedom. This Veterans' Week, take time to remember them so at the 11th hour, on the 11th day, of the 11th month take time out and observe a two minute moment of silence. This year I will be attending the Remembrance Day Ceremonies at the North Preston cenotaph.

### SEEKING INPUT TO REDUCE POVERTY

The United Way Halifax and HRM are engaging communities to ensure issues of poverty are understood from urban and rural perspectives and to identify the solutions that can have the biggest impact. With this focus they are challenging communities to develop solutions that address

the needs of those who are most vulnerable and strengthen long-term health and quality of life for all in our community. The possibilities are all around us and now is the time to act. HRM and United Way believe everyone has a role to play in getting to solutions. Please share your feedback and encourage others to contribute by November 9th [www.shapeyourcityhalifax.ca/Poverty-Solutions](http://www.shapeyourcityhalifax.ca/Poverty-Solutions)

To date, the Old School Gathering Place and Inclusion Works have agreed to be the 'backbone' for development of a coalition of groups from the Eastern Shore to help move some of these ideas of poverty reduction forward. They are currently calling themselves the Prosperity for All Coalition. Check out the Inclusion Works Facebook page for more info.

### MUSQUODOBOIT HARBOUR PLEBISCITE

The communities of Musquodoboit Harbour, West Petpeswick, East Petpeswick, Smith's Settlement and Ostrea Lake will be mailed a Plebiscite Question on whether or not they want to retain their local common area rate of ½ cent per \$100 assessment. (for example a \$200,000 property pays \$10.) The origins of this local tax rate dates back to the late 1980's when the ballfield lighting project was done by the rink. After HRM Amalgamation, the upkeep of those ballfield lights transferred to the municipality and its operational costs were incorporated into the general tax rate. Since then the fund was used to help pay for some local recreation projects in those areas. HRM staff has been working on the Plebiscite Question, its distribution list and the mechanics of how the vote will be conducted and counted. It is expected to be mailed out sometime in November. More information about this issue will be included with the ballot question. If it should stay, then there will be more consultation on how it will be managed.
