

### HALIFAX EXPLOSION: 100 YEARS—100 STORIES

To commemorate the 100th anniversary of the Halifax Harbour Explosion, there is a web-site: <https://100years100stories.ca> that was established to share 100 stories, from the tragic to the courageous to the hard to believe. There is more to remember about the Halifax Explosion than the collision of two ships and the historic blast. We remember the tragic devastation, the perseverance and how people came together to rebuild. We remember the courage and rescue efforts. We remember the tremendous compassion shown as help poured in from across the province, our neighbours in the U.S. and even around the world. We will honour a time when the worst imaginable tragedy came upon us, and brought out the best in us as we overcame it. So on the morning of Wednesday, December 6th, please take some time to pause and reflect on those who were impacted by this disaster and their struggle to survive afterwards. There will be various commemorative ceremonies throughout the area but the largest event will take at the newly renovated Fort Needham Park at the Memorial Bells Tower monument starting at 8:45 AM.

### EASTERN SHORE INTERNET UPGRADE

As an update from last year (Dec 2016 Issue 229) the Municipal & Community Group Rural High-Speed Internet Funding Program was launched in November 2016. This program helped groups partner with ISPs to make immediate improvements to last-mile service in communities across Nova Scotia. It provided up to \$75,000 per project. There was a strong response to the program; the provincial government supported 22 projects, with a total investment of approximately \$1.4 Million. Along the Eastern Shore area, four communities were approved: Watt Section, Harrigan Cove, Moser River and Spanish Ship Bay had Eastlink internet expansions to the network. More details about each community project can be found on an interactive map at: <https://novascotia.ca/business/internet/>

### TRANSIT TO MIC MAC MALL SEVERED

Effective November 27th, Express Transit Route #370 will be reverting back to its old schedule and routing after a six-month trial period. The direct link to Mic Mac Mall will be severed. It is disappointing that this test run could not have lasted until after the holiday season. In the future, I hope to see some sort of connectivity re-established especially with the afternoon and evening deadhead return runs. For more details on the revised Express Bus #370 schedule: [www.halifax.ca/sites/default/files/documents/transportation/halifax-transit/Nov2017\\_Route330-370.pdf](http://www.halifax.ca/sites/default/files/documents/transportation/halifax-transit/Nov2017_Route330-370.pdf)

### LES COLLINS AVENUE GETS REPAVED

Back in 1998, the property owners along Les Collins Avenue in West Chezzetcook petitioned HRM to upgrade and pave this then private road to a public road standard. They paid 100% of that street improvement costs. Now almost 20 years later, this street has been rebuilt and repaved at no direct cost to them. The work: Tender 17-260 was awarded to Dexter Construction Company Limited for \$619,146.00

### LIBRARY & FITNESS RENOVATION UPDATE

Work on the Musquodoboit Harbour Village Plaza is ongoing with a target construction completion date of December 30th. The target opening date for the renovated facility is tentatively slated for January 6th. This will provide a week for move-in, set-up, cleaning, etc. before the re-opening. If progress on construction and furniture deliveries remain on track, then the temporary HRM Fitness Centre and Library will close on December 7th (end of day) to allow for renovation of the swing space. So the entire place will be closed over the Holiday Season and will re-open early in the New Year. Your patience during this renovation project is greatly appreciated.

### HRM & NS PROPERTY TAX PROGRAMS

HRM has a variety of programs to aid homeowners with their property tax obligations. There are various options for payment plans, property tax rebates, or deferral of property taxes (payment is put off to a later date). A homeowner with a LIC-local improvement charge can also apply for a deferral of these charges. It is important that you know what choices exist. Please refer to this guide: [www.halifax.ca/sites/default/files/documents/home-property/property-taxes/TaxExemp\\_Newsletter\\_2017\\_Revised.pdf](http://www.halifax.ca/sites/default/files/documents/home-property/property-taxes/TaxExemp_Newsletter_2017_Revised.pdf). Some of these programs are available to homeowners with a combined household income of \$33,000 or less a year. Deadline to apply is December 31st. The link for an application form to this HRM program is at: [www.halifax.ca/sites/default/files/documents/home-property/property-taxes/TaxExempt\\_AppForm\\_2017-Fillable.pdf](http://www.halifax.ca/sites/default/files/documents/home-property/property-taxes/TaxExempt_AppForm_2017-Fillable.pdf).

Also seniors should also be aware of the NS Provincial Property Tax Rebate for Seniors Program: This program is for those seniors who have been receiving the Guaranteed Income Supplement in January of the application year. Criteria requires you to have paid your property taxes from the prior year in full. A receipt from HRM showing that property taxes are paid in full is required. Applicants to this program can receive a rebate on half of their taxes paid to a maximum of \$800. ### INTERNATIONAL HUMAN RIGHTS DAY— DEC. 10TH

The Provincial Government established the Nova Scotia Human Rights Commission (NSHRC) in 1967. Its explicit purpose is to challenge long-standing patterns of discrimination on racial, religious and ethnic grounds. This year will mark its 50th anniversary. <https://humanrights.novascotia.ca/content/milestones-human-rights-nova-scotia>. Yearly the NSHRC announces recipients of its Human Rights Awards. This year they will be presented on Friday, December 8th, two days prior to International Human Rights Day on Sunday, December 10th. It should also be noted that the Canadian Museum for Human Rights (CMHR) is the first museum solely dedicated to the evolution, celebration and future of human rights. The purpose of CMHR is to explore the subject of human rights, with special but not exclusive reference to Canada, in order to enhance the public's understanding of human rights, to promote respect for others and to encourage reflection and dialogue. The CMHR will play an essential role in preserving and promoting our heritage at home and abroad plus contribute to the collective memory and sense of identity of all Canadians with inspiring research, learning, and entertainment that belong to all Canadians. The Canadian Museum for Human Rights is situated at 85 Israel Asper Way, Winnipeg, Manitoba, R3C 0L5. ### PEACE ON EARTH & GOODWILL TO ALL

My wife Susan and I want to wish everyone the very best of this Holiday Season. During this joyful time of year there are many types of spiritual and cultural celebrations: Merry Christmas, Joyeux Noel, Season's Greetings,

Happy Hanukkah, Al Hijra, and Kwanza. The message for Peace on Earth and Goodwill to All is universal. Have yourself a blessed time with your families, friends and neighbours. May we all strive for peace, tranquility and harmony in our daily lives. Remember those who may be less fortunate or are experiencing hardship and despair. Please give to your local food bank; or better yet, give the gift of life and donate blood. May all of us be blessed with good health and happiness throughout the New Year ahead.
