Date of Council Meeting: September 20, 2016		
Subject: Municipal support for dry wells within HRM		
Motion for Council to Consider:		
THAT Halifax Regional Council request a staff report on the feasibility of HRM facilities, including but not limited to Fire Halls and Recreation Centres, providing water to residents for personal use in the case that their well has run dry.		
Reason: A number of wells throughout HRM have run dry and it is likely that more will continue to do so, leaving many residents with no other option than to purchase water at a premium cost.		
Outcome Sought: For HRM to provide support to residents whose wells have run dry
