<b>Subject: Staff report on developing a new recreation field in North Preston</b>		
<b>Motion for Council to Consider:</b>  That Regional Council request a recommendation report regarding the feasibility for provision of a recreation field in the North Preston area at 857 Upper Governor Street (PID 00639856 – currently owned by Halifax Water Commission.) Furthermore, development of a recreation field would provide an opportunity to explore the possibility of a community build concept with local contractors.		
<b>Reason:</b>  This is an ideal area of HRM for a new recreation field, and the community of North Preston is anxious to have a field that will be available to the residents there.		
<b>Outcome Sought:</b> Staff Report
