Subject: Parking All-Weather Fields Burnside		
Motion for Council to Consider: Request a staff report to on how to address parking issues at the all-weather fields in Burnside.		
Reason: With the work being done on the 4 pad arena, there is nowhere for users to park to access the fields, with summer coming and an already increased use of the fields, residents are having to park on the street with no other parking options available and are being ticketed.		
Outcome Sought: Ensure appropriate strategy or solution for parking at the All-weather fields in Burnside.
