Community Design Advisory Committee

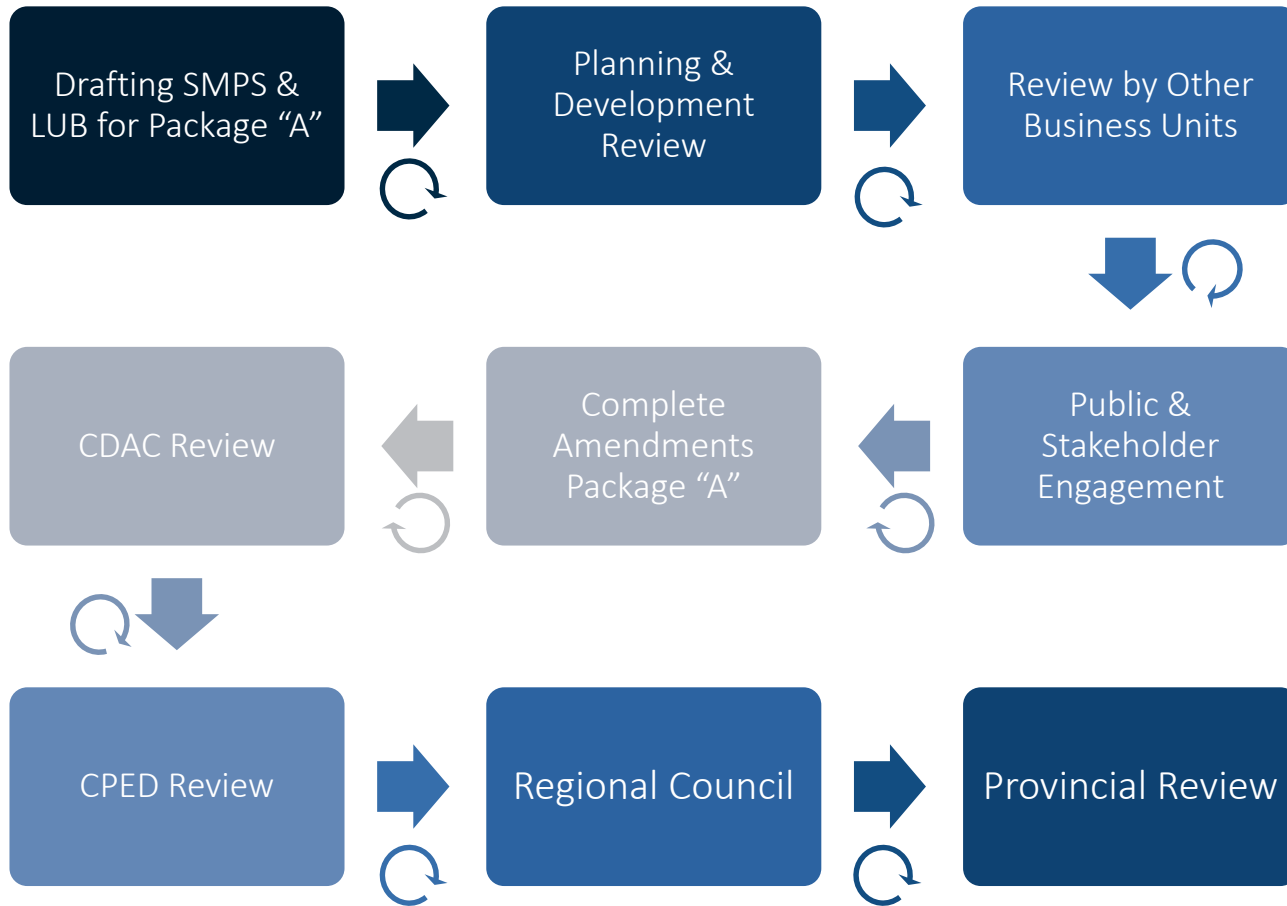

Package B Discussion &
Considerations

2018-04-25

Package “A” / “B” Background

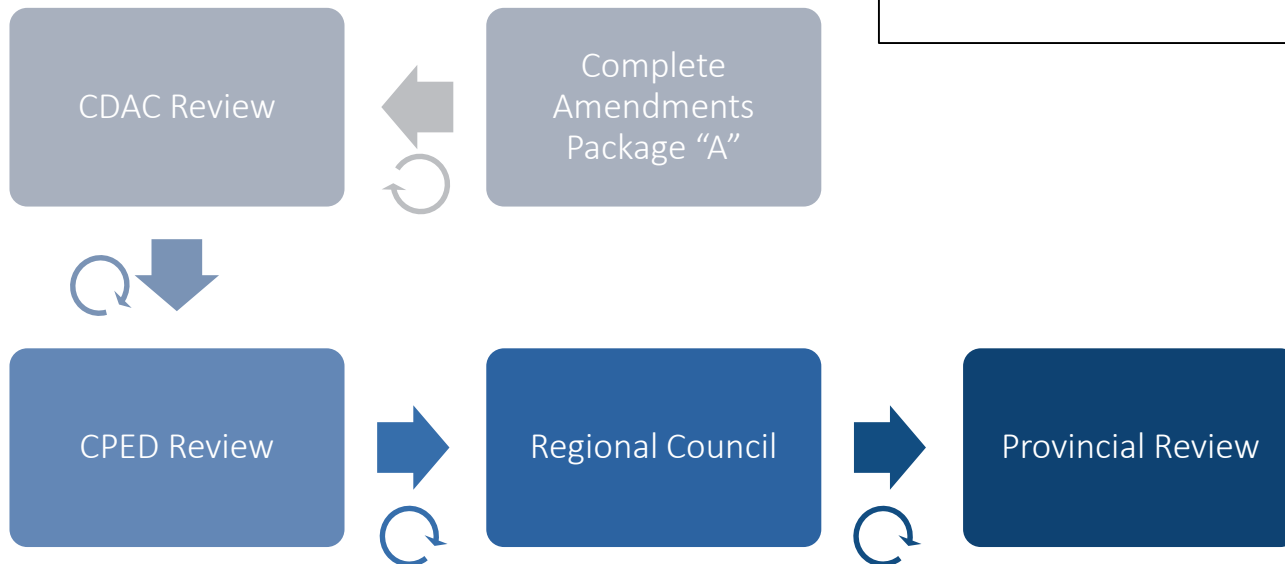

- In 2017 CDAC/CPED/Regional Council discussed the Centre Plan document that was resultant from the 2016 work with the Community & Stakeholders;
- The path forward included separating out new policy and regulations into two “packages”;
- Package “A” would be focused on areas designated in the Centre Plan document Centres, Corridors, High Order Residential, and Future Growth Nodes;
- Package “B” would bring the detailed policy and regulations for Established Residential Areas, Employment Areas (Institutional & Industrial), and Parks

Package “A” Path October 2017

What is In Front of Us Now

- With the results of the consultation and CDAC input we are preparing to go work on amendments.

Package “B” Discussion
