Councillor Tim Outhit
Chair, Transportation Standing Committee
Halifax Regional Municipality
1841 Argyle Street
PO Box 1749
Halifax, NS B3J 3A5

Dear Councillor Outhit:

Re: Vehicle Side Guard Protection Required by HRM

I am informed that the Transportation Committee is meeting on May 24 and that the side guard issue will be an item on the agenda.

The Nova Scotia Association of Road Builders would respectfully request an opportunity to make submissions when the relevant agenda item is called at the Transportation Committee meeting.

Thank you for your consideration of our request.

Yours truly,
