|---|--|--|

**Date of Meeting: May 19, 2016**

**Subject: Affordable Housing Targets and Priorities**

**Motion for Community Planning & Economic Development Standing Committee to Consider:**

THAT the Community Planning & Economic Development Standing Committee:

1. Request a staff presentation at the June CPED meeting on the affordable housing targets and priorities identified by the Halifax Housing Partnership stemming from the Halifax Housing Needs Assessment Report.
2. Request that Housing Nova Scotia present at a future meeting of CPED on their affordable housing actions and projects in the Halifax Regional Municipality.

**Reason:**

New information will be released by the Halifax Housing Partnership on targets and priorities that CPED can consider in June to provide possible options for Regional Council to consider as part of our commitment to the partnership.

Housing Nova Scotia is working on the delivery of affordable housing in the province. An invitation to update the committee on their specific projects in the HRM would provide the committee with background on how the targets identified by the Halifax Housing Partnership can be met.

**Outcome Sought:** Presentations to CPED.
