Subject: Beaver Bank Road and Windgate Drive Intersection		
Motion for Regional Council to Consider: That Halifax Regional Council request that staff consider options for traffic control, including potential for a roundabout, at the intersection of Beaver Bank Road and Windgate Drive in Beaver Bank, in consultation with abutting property owners CN Rail and the province of Nova Scotia, and report back to Regional Council.		
Reason: Numerous requests from residents for this intersection to be "fixed" to allow for better and safer traffic flow on this major arterial route.		
Outcome Sought: A recommendation report on options for traffic control, including potential for a round-a-bout, for the intersection of Beaver Bank Road and Windgate Drive in Beaver Bank.
