Dear Councillor Hendsbee,

Eastern Shore Minor Hockey Association would like to request funds from the Musquodoboit Harbour Area Rate – recreational fund to help pay for the new half ice boards that we were required to purchase for our Novice hockey program. These new boards were a capital expense for ESMHA and they will be used for many years to come with the Novice program. They are permanently located at our rink: Eastern Shore Arena in Musquodoboit Harbour. The total price for these boards was \$8067.25 – which is a very large expense for our small association. We strive to keep registration costs as low as we can so as many children as possible can participate and this would be a great help.

We would like to request a cost share or if possible the whole amount. The receipt for the removable boards is attached to this email as well.

Thank you.

Sincerely

Gina Dunn - ESMHA Executive
