<input type="checkbox"/> <b>Request from the Floor</b>	
<b>Date of Regional Council Meeting: July 17, 2018</b>	
<b>Subject: Environmental Water Quality Dye Testing</b>	
<b>Motion for Regional Community Council to Consider:</b>	
That Regional Council consider a withdrawal from the Musquodoboit Harbour Common Area Rate account an amount of \$2,000.00 to the Musquodoboit Harbour & Area Chamber of Commerce & Civic Affairs for environmental water quality dye testing for Petpeswick Inlet.	
<b>Reason:</b>	
There are water quality issues at Petpeswick Inlet which has caused the cancellation of community programs, swimming lessons, and recreational activities. Water quality dye testing would further research potential sources of contamination. Determining the source would provide the possibility of working towards the inlet becoming pollution free.	
<b>Outcome Sought:</b>	
That Regional Council approve the requested funding from the Musquodoboit Harbour Common Area Rate for environmental dye testing in Petpeswick Inlet.
