Subject: Requesting the placement of a Crosswalk on Number 7 Highway between Pool Road & Church Point Road			
Motion for Council to Consider: That Council request a staff report to request that the NS Department of Transportation and Infrastructure Renewal install a crosswalk at the Number 7 Highway between Pool Road and Church Point Road.			
Reason: To request the Province of Nova Scotia place a crosswalk between Pool Road and Church Point Road. This location is a major 4-way intersection that has sidewalks on opposite sides of the highway. Also, with the new school under construction, it is anticipated that a new sidewalk will be incorporated to bring students and others up from this intersection. A crosswalk would improve safety when crossing this busy highway.			
Outcome Sought: Council support for a staff report on the requested crosswalk in Sheet Harbour.
