Subject: Request for presentation at July TSC

Hello,

NSHA Public Health-Central Zone would like to present on its report *Establishing a Baseline: Active Transportation Indicators & Health in the Halifax Region* at the July TSC meeting if possible. We are looking to provide members of TSC with some background on the project and respond to any questions they have. All members of Council have recently been sent hard copies of this report. HRM staff were involved in its development.

Thanks!

Amber Walker, MCIP LPP
