Administrative Order 2014-001-ADM Tax Relief to Non-Profit Organizations.

RECOMMENDATION

It is recommended that the Grants Committee recommend that Regional Council:

1. Approve renewal of tax relief for 668 properties as listed in Schedules 26 to 30 as detailed in Attachment 1 of the Information Report "Tax Relief for Non-Profit Organizations: Fiscal Year

2018-19 – Part 2 Renewal of Tax Relief” dated April 20, 2018, and included in Attachments 1 through 5 of this report, effective April 1, 2018, unless stated otherwise, at an estimated combined cost of \$3,755,688 from Operating Account M311-8006;

2. Approve the addition of 44 properties to *Administrative Order 2014-001-ADM* as detailed in the Discussion section of this report at an estimated combined cost of \$160,525 from Operating Account M311-8006; and
3. Adopt the amendments to *Administrative Order 2014-001-ADM* as set out in Attachments A through E in Attachment 1 of this report which will repeal and replace Schedules 26, 27, 28, 29 and 30 of the administrative order.

BACKGROUND

Applications to the tax relief program increased in 2018 due to a Nova Scotia Supreme Court ruling¹ that resulted in a review of daycare operations in church-owned property by Property Valuation Services Corporation (“PVSC”). Under sub-clause 5(1)(b) of the Assessment Act a place of worship and church hall used exclusively for a religious or congregational purpose is exempt real property tax except where net revenues exceed the threshold stated in the Act:

“every church and place of worship and the land connected therewith, and every churchyard and church burial ground and every church hall used for religious or congregational purposes exclusively save for occasions specially authorized by church authorities and for which no revenue in excess of one hundred dollars per annum is received, but in computing revenue for the purposes of this clause there shall be excluded any contribution paid towards the reasonable additional costs of upkeep imposed by the use”

Although the PVSC review focused only on child care operations, HRM may receive further applications in relation to leasing and/or occupancy of church property. The review of applications from churches for tax relief takes into account (i) the non-profit status of the occupant and (ii) sub-clause 5A(c) of *Administrative Order 2014-001-ADM* under which a non-profit or charity leasing property from another non-profit or charity is eligible for tax relief if the agreement requires the lessee to pay the applicable tax on the portion of the property they occupy. Under these circumstances, the owner must provide the documentation required under HRM’s policy for the tenant to be included in any tax relief afforded the non-profit owner.

Tax relief awards are reviewed for any debt to the Municipality and may be pro-rated for any default or change in ownership or tenancy occurring within fiscal year 2018-19. Late renewal applications may also be pro-rated in accordance with Section 7C of *Administrative Order 2014-001-ADM*.

- **Schedule 30**

In reviewing applications from housing organizations, the level of tax relief has been considered in relation to the amount of tax payable per dwelling unit⁶ and by comparison to lower income homeowners⁷ and the average residential tax paid for a single-family dwelling in the region. In 2017, the *Residential Tax Rebate Program* provided tax relief to 2,050 lower income homeowners whose combined gross household income is \$33,000 or below. The average rebate \$611 for an average in taxes paid of \$1,056 (after the rebate is deducted). By comparison the average residential tax bill for a single-family dwelling in HRM was \$2,683.

Although the *Tax Relief for Non-Profit Organizations Program* does not require annual verification of personal income or the number/percentage of government rent-subsidized units, the tax payable per unit after the application of tax relief is taken to be a proxy of “affordability” relative to taxes paid on private residential property. It should also be noted that property assessed as Residential may benefit from the provincial residential assessment cap if eligible. Larger multi-unit apartment buildings are ineligible for the cap. However, the assessed values of such properties, and hence their tax bill, are often lower than that of single family homes or smaller residential buildings.

13. ABC Housing Co-Operative Limited

Incorporated in 1982, the ABC Housing Co-Operative Limited merged with the former Harbourview Continuing Housing Co-Operative Limited in 2001. The portfolio now comprises six (6) properties for a combined total of 10 units of affordable housing. The properties are assessed Residential with a combined total of \$11,340 taxes payable as listed below:

⁵ The Memorandum of Understanding is in effect until March 31, 2020.

⁶ Excludes rooming houses and dormitories where communal occupancy is based on the number of beds not discrete, self-contained dwelling units and/or where separate kitchen and bathroom facilities are shared with other dwelling units as per *HRM Charter* (2008) Section 3(z).

⁷ *Administrative Order 10 Partial Tax Exemption*. In 2017, the program cost \$1,253,400.

REVIEW OF TAX RELIEF – PROPOSED REDUCTION IN FISCAL YEAR 2019

17. Kinsmen Club of Sackville/HRM, 71 First Lake Drive, Sackville Land Lease: Expires 31/08/2027

A review of the level of tax relief awarded to the Kinsmen Club of Sackville was prompted by negotiations between the Club and HRM for a new land lease agreement. The initial lease was for the entire park area of 4 acres (174,240 sf) a small portion of which was used for the construction of the society's clubhouse. The new lease reduces the area to 7,320 sf to include the building, a fenced outdoor play area and access path. Once Property Valuation Service Corporation ("PVSC") is notified of the new lease agreement the property's assessment classification should be changed to Commercial (7,320 sf of leased land plus the building) and Commercial Exempt representing 166,920 sf of HRM park land. The new lease agreement will significantly reduce the amount of tax assessed to the Club.

Because the Club will no longer provide a service that would otherwise be HRM's responsibility (operation of a public park and the fixtures within the park) the level of tax relief should be reduced. Typically, a service club would receive a Conversion from the Commercial to Residential rate (Schedule 29): a two-thirds saving. However, the entire lower level of the clubhouse is occupied by The First Lake Early Learning Centre Society, a registered non-profit society (#2507056). The preschool's occupancy is a long-term arrangement and subsidized by the Club.

If approved, removal of the Kinsmen Club of Sackville from Schedule 26 and addition to Schedule 27 aligns the value of municipal tax relief with that afforded other child care service providers in the program. Further, the staff recommendation to implement the change effective as of April 1st, 2019, gives the Club time to make budget provision, negotiate any full or partial cost recovery with the preschool, and submit the documentation required under sub-clause 5A(4)(c) of *Administrative Order 2014-001-ADM*.⁸ The Club was notified in writing of the recommendation to amend the level of tax relief in fiscal year 2019 in a letter dated April 13, 2018.

⁸ As owner of the building the Club the lessee's registration number, a copy of the signed lease, and the total area the lessee occupies under the lease.

It is recommended that the Kinsmen Club of Sackville, 71 First Lake Drive, Sackville, continue on Schedule 26 for fiscal year 2018-19 but that staff notify the Club that the recommendation will be to remove the property from Schedule 26 and reinstate on Schedule 27 in fiscal year 2019. If approved, the amended level of tax relief would be effective April 1, 2019.

Note: If the staff recommendation is accepted, the Club’s full exemption will be renewed in 2018 at an estimated cost of \$52,586. It is estimated that the taxable portion of the property will be reduced to approximately \$6,500. See: Alternative #1. Removal from Schedule 26 and reinstatement on Schedule 29.

18. MacDonald House Association/Nova Scotia Department of Natural Resources, 4144 Lawrencetown Road, Lawrencetown – Lease Expires: 31/05/2022

A review of the level of tax relief awarded to the MacDonald House Association was recommended on the basis of largely commercial operations. Presently, approximately 65% of the building is occupied by for-profit tenants including a surf shop, tea room, massage therapist, and a crafts/vintage goods retailer. The non-profit occupancy includes only a small administrative office, shared common areas (storage, furnace room), and 732 sf leased to the Open View Children and Parent Association, a registered non-profit society (#1287171). The staff review concludes that the non-profit occupancy does not constitute alternate service delivery. If approved, removal of the MacDonald House Association from Schedule 26 and addition to Schedule 27 aligns the value of municipal tax relief afforded other child care service providers in the program. Further, the staff recommendation to implement the change effective as of April 1st, 2019, gives the Association time to make budget provision, negotiate any full or partial cost recovery with the preschool, and submit the documentation required under sub-clause 5A(4)(c) of *Administrative Order 2014-001-ADM*. The Association was notified in writing of the recommendation to amend the level of tax relief in fiscal year 2019 in a letter dated April 13, 2018. Advance notice enables the Association sufficient time to apportion the tax among the sub-leases implemented by the Association.

It is recommended that the MacDonald House Association, 4144 Lawrencetown Road, Lawrencetown, continue on Schedule 26 for fiscal year 2018-19 but that staff notify the Association that the recommendation will be to remove from Schedule 26 and reinstate on Schedule 27 in fiscal year 2019. If approved, the amended level of tax relief would be effective April 1, 2019.

Note: If the staff recommendation is accepted, the Association’s exemption will be renewed in 2018 at an estimated cost of \$3,877. See: Alternative #1. Removal from Schedule 26 and reinstatement on Schedule 29.

Notes to Table 4(b):

Canadian Blood Services, 270 John Savage Avenue, Dartmouth

Canadian Blood Services ("CBS") was founded in 1998 in response to the recommendations of the Krevar Report on tainted blood. The agency is regulated as a biologics manufacturer by Health Canada in the collection, testing, processing and distribution of blood and blood products to Canadian hospitals. Incorporated as a Not-for-profit Corporation and a registered Canadian charity⁹, CBS manages the supply of blood and blood products in all provinces and territories except Quebec. The organization also oversees a national stem cell and marrow network, promotes public awareness of organ and tissue donation and transplant, and purchases manufactured plasma products. The CBS membership comprises the Ministers of Health of the Provinces and Territories of Canada, except for Quebec, who provide operational funding. The corporation has also established two wholly-owned "captive" insurance corporations¹⁰. According to the Revenue Canada Charities Directorate total national expenditures for

⁹ A separate Canadian Blood Services Foundation was established in 2003 but ceased activity in 2007; the fundraising carried out by the Foundation was assumed by CBS.

¹⁰ CBS Insurance Company Limited and Canadian Blood Services Captive Insurance Company Limited. "Captive" refers to an entity created and wholly owned to insure the risk of its owners, essentially a form of self-insurance.

2017 were over one billion dollars (>\$1,000,000,000). The primary role of volunteers is in donor recruitment, promotional awareness, and related fundraising events.

In 2009, the operations in Halifax and St. John, New Brunswick, were consolidated in a new manufacturing facility in Burnside Industrial Park. The property is assessed Commercial (estimated taxes \$499,897 in 2018) and its addition to the program would cause a significant shortfall in funding. Regardless, the Corporation has requested full exemption. Regional Council has rejected this request in the past for several reasons.

- January 13, 2004: By-law T-212. Canadian Blood Services applied for full tax exemption in relation to leasing a portion of the Canadian Red Cross Society's premises in Halifax. The Red Cross owned the building but leased land from HRM. Declined on the basis that the applicant was not the party assessed for tax¹¹ and provision of medical services.
- February 19, 2013: By-law T-229. Late application declined "*Staff find no basis to overturn a previous decision of Regional Council regarding the provision of medical services. Presently, HRM's tax assistance focuses on the community-based non-profit sector rather than arms-length government agencies*".
- February 25, 2014: Administrative Order 2014-001-ADM¹². recommendation to decline was based on Council's prior decisions with respect to medical/health services in relation to the Municipality's mandate. The report to Council stated "*Arguably, as an arms-length government agency the cost of municipal tax is incorporated into the service fees charged back to the provincial and federal governments: tax exemption realizes a saving to another level of government. As of September 2013, there is no formal agreement between the agency and HRM's Fire & Emergency Services (EMO)*". The staff recommendation also suggested that "*HRM Finance examine the possibility of incorporating Canadian Blood Services under a grant in lieu of taxes as per the current status of provincial hospitals served by the organization*".

In a letter to the Grants Committee dated November 15, 2017, the CBS reference full or partial tax relief provided in other provinces in which CBS owns and operates facilities. Namely, Alberta, Ontario, Manitoba, Saskatchewan, and Newfoundland. The CBS does not have facilities in the province of Quebec or the territories of Yukon, Nunavut or the Northwest Territories.

Readers are cautioned that comparing tax relief programs across Canada is a challenge. Different cities cover different services from property taxes; the role of tax relief in relation to cash grants or other government operating subsidies (eg. rent, discounted fees) varies significantly, and legislative authority may reside with a provincial government not municipal discretionary decision-making. Tax relief programs also differ in terms of the scope of program or service eligible for consideration.

In comparing the tax relief provided to CBS, most facilities have received full or partial exemption under provincial legislation, not municipal policy. The equivalent in Nova Scotia would be Section 5(1) of the Assessment Act. The two exceptions, facilities located in the City of Regina¹³, Saskatchewan, and St. John's¹⁴, Newfoundland, receive tax relief at the discretion of the municipality but these programs are not on a scale comparable to HRM's current program. Further, the Atlantic facility serves ~47 hospitals across Atlantic Canada:

- New Brunswick 20
- Nova Scotia 25
- Prince Edward Island 2

¹¹ Following repeal of By-law T-200, an Administrative Order was created which has been amended to recognize non-profits and charities leasing from a non-profit property owner.

¹² Referred to Administrative Order 59 in the staff report but subsequently re-numbered.

¹³ Regina's tax by-law has only twenty (20) properties listed for 2017.

¹⁴ St. John's tax relief program includes only registered charities and recreational amenities.

- Newfoundland 1 (only in the event of low inventory: St. John's)

Of a total of the forty-seven (47) hospital/medical facilities served by the Atlantic manufacturing facility, only five (5) or ~10% are located within HRM¹⁵; this percentage increases to 20% of facilities served in Nova Scotia.

In Nova Scotia, Section 5(1) of the Assessment Act a hospital is exempt property if it meets the definition of a hospital under the Hospitals Act. Canadian Blood Services has confirmed that they have not pursued a determination if the facility may be considered an ancillary hospital service. The staff review concludes that the operations of this medical facility are quasi-governmental and not aligned with the aims of the municipal tax relief program.

INCREASE IN TAX RELIEF NOT RECOMMENDED

The 2018, tax relief program received two (2) applications requesting an increase in level of tax relief.

Request	Organization	Civic Address	Rationale
100%	Black Educators Association	2136 Gottingen Street, Halifax	Full exemption declined in 2017. Added to Schedule 29. Excludes residential portion leased to third party.
Not stated	Mayflower Curling Club	3000 Monaghan Drive, Halifax	Current level of tax relief is consistent with curling clubs in the tax relief program (Schedule 29).

FINANCIAL IMPLICATIONS

All dollar values cited in this report are rounded to the nearest dollar and are based on 2018 assessment values and 2017 tax rates¹⁶. Values are estimates to allow for any correction/change to a property's assessed value.

2018-19 Program Budget M311-8006	\$4,170,000
Less Recommended Renewal (668 properties)	(\$3,755,688) ¹
Less Recommended Additions (44 properties): Table 2	(\$160,525)
Balance	\$253,787
Less Expired Leases to be Renewed	(\$52,251) ²
Balance	\$201,536³

Notes to Financial Implications:

1. An itemized listing of renewals is provided in a companion Information Report "Tax Relief for Non-Profit Organizations Program: Fiscal Year 2018-19 – Part 2 Proposed Renewals", dated April 20, 2018.
2. Report to Grants Committee meeting of June 4, 2018. Decision pending.
3. The balance remaining excludes a 2% contingency (\$79,369) for any increase in municipal tax rates: the revised balance would be \$122,167.

¹⁵ The list received from Canadian Blood Services includes Dartmouth General, IWK, two (2) QEII sites, and the Canadian Forces Health Services Centre, Halifax.

¹⁶ The 2018 tax rates are on average approximately 2% higher than 2017 but as of the date of this report tax accounts have not been adjusted in the municipal tax system.

RISK CONSIDERATION

November 4, 2013 – Grants Committee has procedures for default prevention and management practices for cash grants, tax relief, community sales and leasing approved by the Audit and Finance Standing Committee at their meeting of November 20, 2013.

COMMUNITY ENGAGEMENT

In accordance with s.79(2) of the HRM Charter notice of a grant issued by the Municipality pursuant to s.79(1) shall be published in a newspaper circulating in the region. The Municipality complies with legislation by placing a notice in the Municipal Notices section of the Chronicle-Herald newspaper and on HRM's web site <http://www.halifax.ca/legislation/adminorders/documents/2014-001-ADM.pdf>

ENVIRONMENTAL IMPLICATIONS

Not applicable.

ALTERNATIVES

1. The Grants Committee could recommend that both the Kinsmen Club of Sackville and the MacDonald House Association be removed from Schedule 26 and reinstated in Schedule 29, in fiscal year 2018. The effective date could be retroactive to April 1, 2018, or effective as of the date of Council's decision.

Continuation of the current level of tax relief in fiscal 2018-19 with advance notification of intent to recommend a decrease in fiscal year 2019 (effective April 1, 2019) allows both organizations time to budget and to negotiate any proportional allocation to tenants.

2. The Grants Committee may recommend an amendment to Regional Council regarding the provision of tax relief or the applicable level of award. If the cost of an addition or amended award exceeds the program's budget capacity a supplementary report would have to be prepared and presented to the Audit & Finance Standing Committee.
3. The Grants Committee could refer an application for further review. If the additional review results in a recommendation to add an organization, add a property, or increase the level of tax relief and the combined cost exceeds the program's budget capacity a supplementary report would have to be prepared and presented to the Audit & Finance Standing Committee.

Notes to Schedule 29

1. **Atlantic Marksmen:** the property at Old Guysborough Road has two assessment classifications: Commercial and Resource. The applicant receives a Conversion on the Resource portion and full exemption on Resource. The Clement Street property is a mandatory safety zone and receives full exemption.
2. **Canadian Cancer Society:** the value of tax relief to the Canadian Cancer Society includes partial tax relief awarded under Schedule 28 for the Lodge and a Conversion to the Residential rate for the administrative offices.
