12.4.2 On Street Bicycle Parking Policies

The following was before the Transportation Standing Committee:

- *A recommendation report from the Chair of the Active Transportation Advisory Committee dated March 18, 2016*

MOVED by Councillor Mason, seconded by Councillor Rankin

THAT the Transportation Standing Committee request a staff report on the subject of On-street Bicycling Parking Policies, as per the information submitted by the Halifax Cycling Coalition to ATAC on February 18, 2016.

Responding to questions of clarification, Mr. Bruce Zvaniga, Director, Transportation and Public Works, explained that it is the second year of a pilot project for bicycle parking on Agricola and that it would be best to inform the Transportation Standing Committee of the results of this pilot at the end of the year.

Councillor Mason commented that it would be best if the Transportation Standing Committee received some feedback from staff while the project is ongoing, as well as receiving a report when the project concludes.

MOVED by Councillor Mason, seconded by Councillor Rankin

THAT this matter be deferred until the September 2016 meeting of the Transportation Standing Committee.

MOTION TO DEFER PUT AND PASSED.
