Transportation Standing Committee

TO: Chair and Members of Transportation Standing Committee

SUBMITTED BY: Original Signed
Bob Bjerke, Chief Planner Director Planning and Development

DATE: July 8, 2016

SUBJECT: Amendment to Administrative Order #39, Schedule 5

ORIGIN

March 24, 2016 motion of Transportation Standing Committee:

Moved by Councillor Walker, seconded by Councillor Rankin,

That the Transportation Standing Committee request a staff report to consider changes to Administrative Order 39 Taxi and Limousine Regulations for the inclusion of electric cars.

MOTION PUT AND PASSED

LEGISLATIVE AUTHORITY

- *Motor Vehicle Act, R.S.N.S., 1989, c. 293, section 305(1)*
- *By-law T-1000, Respecting the Regulation of Taxis, Accessible Taxis and Limousines*
- *Administrative Order #39, Respecting Taxi and Limousine Regulation*

RECOMMENDATION

It is recommended that the Transportation Standing Committee request Regional Council amend Administrative Order #39, Schedule 5, Respecting Taxi and Limousine Regulations, as set out in Appendix B.

BACKGROUND

At the March 24, 2016 meeting of the Transportation Standing Committee a staff report was requested to consider changes to Administrative Order #39, Schedule 5 for the inclusion of Hybrid Electric Vehicles (HEVs) and All Electric Vehicles (AEVs).

DISCUSSION

Administrative Order #39, Schedule 5, Respecting Taxi and Limousine Regulations currently states in part that a taxi, accessible taxi or limousine must be equipped with an engine of a least four cylinders. The current Administrative Order does not permit the use of electric motors because such vehicles were not in the conventional marketplace at the time the by-law was originally developed.

The proposed amendments to Administrative Order #39 include all electric vehicles and are inclusive enough to allow for emerging technologies.

While the concept of HEVs and AEVs is not new, technology advancements have increased their popularity in the conventional marketplace. The subject amendments acknowledge this change in popularity and by removing any reference to either a mechanical or electric power source the Administrative Order will allow for a broad range of vehicles as either taxi or limousine.

Provinces and territories regulate vehicle registration and subsequently control vehicle types used upon roadways in their respective jurisdictions. In Nova Scotia the *Motor Vehicle Act* regulates vehicle registration. Any vehicle with an electric power source meeting Nova Scotia standards would meet HRM requirements for license and compliance with By-law T1000 for use as a taxi or limousine in Halifax.

It has been noted, in discussion at the Taxi and Limousine Liaison Group, that a principle consumer concern with EV's is the limited travel distance per charge. Electrical vehicles average 250-350 kilometers with a recharge time of 6-8 hours which is 50% of a conventionally powered vehicle. It is the vehicle owner/operator that will have to consider these standards before making a decision to purchase.

FINANCIAL IMPLICATIONS

There are no financial implications. If required, the industry stakeholder engagement (regarding the specifics of the June 14, 2016 motion) can be carried out with existing staff resources.

RISK CONSIDERATION

There are no significant risks associated with the recommendation in this report.

COMMUNITY ENGAGEMENT

The Taxi Limousine Liaison Group was consulted on the proposed Administrative Order #39 amendment.

ENVIRONMENTAL IMPLICATIONS

There are environmental implications associated with this report. The use of electric vehicles as a licensed taxi or limousine in HRM has the potential for reducing environmental impacts related to noise

pollution, vehicle emission and dependence on fossil fuel. The recommendation supports the municipality's Clean Air Strategy towards a sustainable environment.

ALTERNATIVES

The Transportation Standing Committee may decide not to adopt the recommendation amendment to Administrative Order #39. This alternative is not recommended.

6.0 ZONES

6.1 The Municipality is divided into the following three zones for the licensing of taxis:

- (a) the County Zone, being the area of the Halifax Regional Municipality that is not within either the Dartmouth zone or the Halifax zone.
- (b) the Dartmouth Zone, being the geographical area of the former City of Dartmouth.
- (c) the Halifax Zone, being the geographical area of the former City of Halifax and the areas also known as Harrietsfield, Sambro, Ketch Harbour and Portuguese Cove.

7.0 LIMITS ON NUMBER OF TAXI OWNER LICENSES

7.1 The number of taxi owner licenses, inclusive of conditional owner licenses, for each zone in force at any time in the Municipality is;

- (a) in the Halifax Zone, 610 licenses;
- (b) in the Dartmouth Zone, 200 licenses; and
- (c) in the County Zone, 190 licenses.

8.0 APPLICANT FOR A NEW TAXI OWNER LICENSE

8.1 The applicant for a taxi owner's license must be the holder, in good standing, of a taxi driver's license issued by the Municipality.

8.2 An applicant who receives an offer of a taxi owner's license must complete all of the requirements for licensing a vehicle as a taxi under By-Law T-1000 within 30 days of the date of the offer.

8.3 If an applicant for a taxi owner's license who holds a taxi owner's license in any zone in the Municipality in his or her name or in the name of a corporation in which the applicant is a shareholder receives an offer of a new owner license, the applicant must surrender the current license within 30 days of the date of the offer.

8.4 A permanent owner's license may be issued only to an applicant who has successfully completed the National Standards Certification for Taxicab/Limousine Drivers.

8.5 If an applicant, at the time of being offered a taxi owner's license, has not successfully completed the National Standards Certification for Taxicab/Limousine Drivers, the applicant may only be issued a conditional taxi owners license.

8.6 A conditional taxi owner's license expires on the first anniversary of its date of issue unless, before its expiry, the holder of the conditional license successfully completes the National Standards Certification for Taxicab/Limousine Drivers and converts to a permanent owner's license.

8.7 A conditional owner's license is not renewable.

8.8 Sections 8.1 – 8.6 apply only to the issuance of a taxi owner's license to an applicant from the waiting list and not to taxi owner's license renewals.

9.0 WAITING LIST

- 9.1 The waiting lists for taxi owners licenses, if any, of applicants prepared for each zone under sections 77, 78 and 78A of By-law Number T-108 of the Municipality, as those sections read immediately before the repeal of By-law Number T-108, are continued in force.
- 9.2 If there are no names on a waiting list for a zone, the list must be closed but the Licensing Authority must re-open it or establish a new list whenever the number of applications for taxi owner licenses for the zone exceeds the number of licenses available in the zone.
- 9.3 If the Licensing Authority receives an application for a taxi owner's license for a zone that cannot be issued because the prescribed number of licenses for that zone have already been issued, the Licensing Authority shall add the applicant's name to the end of the current waiting list, in order of the date and time of receipt of the application and must process the names in order of seniority as they appear on the list as the number of licenses in the zone to which the application relates drops below the prescribed number of licenses for that zone.
- 9.4 Whenever a new taxi owner license can be issued because the number of licenses in force in a zone has fallen below the number prescribed for the zone, the applicants on the waiting list shall be offered the first opportunity to obtain a license in order of their seniority on the list, and the Licensing Authority shall notify the applicant forthwith by registered mail addressed to the mailing address of the driver maintained by the Licensing Authority that the applicant is being offered a license.
- 9.5 An applicant's name must be removed from the waiting list.
- (a) Upon the issuance of an owner's license to the applicant; or
 - (b) if the applicant fails to license a vehicle as a taxi within 30 days of the delivery of the notice of an offer of an owner's license.
- 9.6 The procedure set out in sections 9.4 and 9.5, must be repeated until the numbers of owners licenses, including conditional owner's licenses, in force in a zone, is equal to the number of licenses prescribed for the zone or until no names remain on the waiting list, whichever occurs first.
- 9.7 The name of an applicant must be removed from a waiting list on the conclusion of any applicable appeal process if the applicant's driver's license is cancelled, revoked or otherwise lapses.
- 9.8 Nothing in section 9.5, 9.6 or 9.7 prevents a person who holds a driver's license from re-applying for a taxi owner's license and having his or her name added at the end of the waiting list, if any, for the zone to which the application relates.

10.0 Zone Exceptions

- 10.1 Pursuant to section 39.3 of By-law T-1000, a taxi driver may pick up and drop off passengers or parcels within a zone for which the taxi is not licensed when:
- (a) the place of commencement and final destination of the passenger's journey in the taxi are in compliance with By-Law T-1000;
