### *Management's Responsibility for the Statement*

Management is responsible for the preparation of the statement in accordance with the accounting principles prescribed pursuant to Section 451 of the Municipal Government Act Nova Scotia, and for such internal control as management determines is necessary to enable the preparation of the statement that is free from material misstatement, whether due to fraud or error.

### *Auditors' Responsibility*

Our responsibility is to express an opinion on this statement based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the statement. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the statement, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation of the statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Opinion*

In our opinion, the statement of general rate surplus of the Halifax Regional Municipality for the year ended March 31, 2018 is prepared, in all material respects, in accordance with the accounting principles prescribed pursuant to Section 451 of the Municipal Government Act Nova Scotia.
