Att: Steve Craig

Hi Steve

The contribution and service agreement between HRM and LDRA will come to a close with the last contribution payment in June of this year. **LDRA would like to request from HRM that this service agreement partnership be renewed for another period of time.** This service agreement helped our community to have a recreation center for years to come but there are still needs to keep the center up to date.

**Future Capital Projects  
that still need to be financed.**
