HRM PRIORITY OUTCOMES

Community Health

Halifax shall be an active partner in supporting community health programs such as food security initiatives.

HRM PUBLIC SAFETY STRATEGY

Increased support for community gardens,
community ovens, urban orchards,
bee-keeping.

Priority Objective 3.2

Improve Access to Healthy, Affordable Food

REQUEST #1

We are looking staff support to secure a new headquarters site.

Incredible crowd out for the Common Roots Urban Farm engagement.

#WhereWillWeGrow @CRUrbanFarm

REQUEST #2

We are asking for staff support to relocate
90 community garden plots.

(Ideally, on the peninsula)

REQUEST #3

We are asking for HRM resources to help us with the physical move, in April.

Transplanting Common Roots Urban Farm

\$9,290 raised

93% of \$10k goal
