**Subject:** Presentation overview Nourish Nova Scotia

Hello Krista,

As follow up to the opportunity to present to Harbour East Marine Drive Community Council on December 13<sup>th</sup>, 2018 I thought to provide a brief overview of the presentation.

I will speak a bit about Nourish Nova Scotia, who we are and what we do. Some of the impacts of our work within the local community, and how municipalities in other jurisdictions support school food programs and initiatives. I will highlight some of our recent advocacy work that might be of interest to councillors as well as an opportunity to become involved.

If you have any questions please don't hesitate to contact me at the information below.

Thank you  
Margo

Margo Riebe-Butt, RD  
Executive Director, Nourish Nova Scotia
