**Subject:** Formal Request to present to Harboueast Community Council

I, Benjamin Smith and formally requesting a spot to present to the Harbourest Community Council on behalf of the Maritime Disc Golf Association and my company, Greensmith Contracting at the Jan 10th meeting.

I am presenting the fundamentals of building a disc golf course in Dartmouth, why this is a benefit to your community both physically and financially and how these courses have had a positive impact on the community at large. My presentation will touch on the impact this game has had in our area over the last 10 years and the projections for the next 10 to come.

I look forward to hearing back from you and making the pitch on Thursday.

Thank you for your consideration.

Benjamin
