

An aerial photograph of Lake Banook, showing the lake's irregular shape and surrounding land. The image has a slightly desaturated, greenish-grey color palette. Overlaid on the center of the lake is white text. The text reads: "Envisioning Lake Banook as a world-leading venue for sport and community." The text is arranged in four lines, centered horizontally and vertically over the lake's main body.

# PADDLING INFRASTRUCTURE

---

- High Performance Centre
- Judge's Tower
- Return Lane

This would provide support for the major sport infrastructure on the lake. This is included in current event related requests, and also supports Paracanoe, rowing, triathlon, and other Lake Banook related sport hosting.

# SPORT & RECREATION

- Trails and Tracks
- Signage and Wayfinding
- IT Infrastructure
- Greater Accessibility Improvements

This would support Running/Hiking/Walking, Triathlon, Swimming, Dragonboat, Skating, X Country Skiing and More.

# COMMUNITY

---

- Festival Grounds
- Parks

**OPPORTUNITIES ENHANCED AND CREATED WOULD INCLUDE MUSIC FESTIVALS, FOOD FESTIVALS, MARKETS, PARADES, FIREWORKS AND PUBLIC GATHERINGS, MOBILITY AND PUBLIC MOVEMENT DAYS LIKE “SWITCH”. FESTIVAL GROUNDS COULD INCLUDE STADIUM SEATING, AND RE-SURFACING PRINCE ALBERT ROAD SIMILAR TO GRANVILLE STREET.**

- Brookdale Crescent Park

- Silvers Hill
- Sullivans Pond
- Trails / Walking Paths
- Birch Cove

# THINKING BEYOND 2022

There are multiple stakeholders that use Lake Banook. This conversation is about what the opportunities are where sport and community planning meet.

Lake Banook can be a world-leading Water Sport Park, and we can further solidify the “heart of the community” with the right planning and focus.
