Together We Can Build Safe, Healthy, Active Communities

WELCOME APRIL!

As the last dregs of snow and ice melt away, it seems that Spring is finally upon us. I'm looking forward to the warmer weather and the community events that get us out of our hibernation!

I'm especially anticipating our Women's Leadership Panel this month, where we will host 40 Grade 10 young women to hear from a panel of accomplished female leaders including Library CEO Åsa Kachan, Airport President Joyce Carter, CEO of the IWK Foundation Jennifer Gillivan and Law Partner Candace Thomas.

Happy Spring, everyone!

BIENVENUE AVRIL!

Alors que les derniers résidus de neige et de glace fondent pour disparaître définitivement, il semble que le printemps est enfin arrivé. Je me réjouis à l'idée de profiter du temps plus chaud et des événements communautaires qui nous feront sortir de notre hibernation! J'anticipe principalement notre groupe de spécialistes sur les femmes en leadership ce mois-ci, où nous accueillerons 40 jeunes femmes de 10^e année pour qu'elles puissent écouter un groupe de spécialistes composé de femmes leaders accomplies y compris Åsa Kachan, directrice générale des Bibliothèques d'Halifax, Joyce Carter, présidente de l'aéroport, Jennifer Gillivan, présidente et directrice générale de la Fondation IWK et Candace Thomas, associée en exercice du droit.

BUDGET 2019/20 UPDATE

Regional Council will be doing our final review of the 2019/20 Municipal Operating and Capital Budget at the April 2nd meeting of Regional Council. [Tune in online](#) or attend the session at City Hall, 1841 Argyle Street.

POLICE STREET CHECKS

Professor Scot Wortley, doctor of criminology at the University of Toronto, recently presented his independent report on police street checks in HRM. This issue was originally raised when police street check data revealed that African Nova Scotian residents were 6 times more likely to be stopped and questioned for random street checks.

The report provides recommendations for the regulation or suspension of police street check practices and policy suggestions for improving the fractured relationship that exists between police and the black community.

The findings of this report will likely be discussed further at our next Board of Police Commissioners meeting scheduled Monday, April 15th from 12:30 – 2:30 p.m. For more information, you can read the full report [here](#).

REPORT A POTHOLE OR SINKHOLE

Potholes are caused when the asphalt on the surface of the road has deteriorated from the top, but you can still see asphalt under the hole and Sinkholes are caused by erosion from underneath, and when you look into it, you can't see any pavement.

The best way to report a pothole or sinkhole is to call 311 or submitting this [form](#) so our staff can assess the location and have it repaired as soon as possible.

ACCESSIBLE PARKING FEEDBACK

Join municipal staff Thursday April 11th in the Harbour East-Marine Drive Community Council Room at Alderney Gate to provide your feedback on accessible parking in the region. Your input will help us identify the criteria that should be considered when planning for the future of on-street accessible parking. The sessions will be held from 2:00 – 4:00 p.m. or 6:00 – 8:00 p.m. and we will be sharing the findings from last year's broader accessibility and inclusion consultation and allowing residents to speak up about accessible parking options. If you are unable to make the session, you can still provide feedback by completing the online survey [here](#). To find current accessible spots available in Halifax and Dartmouth see our lists and maps [here](#).

Computer-assisted real-time captioning (CART) and Sign Language will be provided.

Connect with youth from across the municipality at our Youth Summit!

MASTER COMPOSTER RECYCLER PROGRAM

Registration for the first Master Composter Recycler program is now open.

The Master Composter Recycler (MCR) program is a free, four-week, eight-course education program that provides training sessions, hands-on workshops and facility tours for residents to become more knowledgeable on waste management in our municipality. Participants will also learn how to reduce waste through backyard composting and other at-home solutions.

This program is open to all residents interested in becoming waste champions within their families, communities and work places.

When: May 1st – 29th, Wednesdays 6:00 – 8:00 p.m. and Saturdays 9:00 a.m.-12:00 p.m.

Where: Citadel Recreation Centre, Room 101, 1955 Trollope St, Halifax

You can find out more about the program here or register now by [emailing](#) our team.

SUMMER RECREATION REGISTRATION

The Halifax Regional Municipality is advising residents that registration for summer recreation programs (excluding aquatics) will be on April 10th beginning at 10 a.m. For more information on summer camps and registration, visit our [website](#).

EBAY RETAIL REVIVAL PROGRAM

Last month, 70 local businesses had the opportunity to participate in the first session of the eBay Retail Revival training program. The year-long program will connect these businesses with experts to help them grow their business' online presence and success.

Thank you to everyone who was instrumental in making this partnership happen, I'm confident this training will provide the tools our entrepreneurs need to grow their businesses and further invest in our great community.

WAVERLEY ROAD SPEEDING DATA

Halifax Regional Police conducted speeding data collection on Waverley Rd/Breeze Drive in January and have confirmed that the average speed in this area is 45 km/hr.

About 30% of the 13,000 drivers they clocked over 4 days were speeding but the 85th percentile were going only about 5 km over the 50 km/hr posted limit.

SUPPORTING AFFORDABLE ACCESSIBLE HOUSING

Regional Council is committed to fostering partnerships that provide access to a full range of quality, affordable housing options. That’s why I recently put forward a motion requesting a staff report on amending legislation to waive municipal construction fees for non-profit agencies to reduce barriers for these organizations when they are developing affordable, accessible housing or something of similar public benefits. Waiving these fees would reduce barriers to the development of affordable housing and provide an incentive for non-profit organizations to get involved.

ANTI-IDLING FOR A GREENER FUTURE

Allowing your vehicle to idle has negative impacts on our environment and costs money in wasted fuel. Regional Council has moved to update the 2008 Vehicle Anti-Idling policy to create new guidelines for municipal staff. It was estimated in 2017 that municipal vehicles idled for almost 45,000 hours. This amounts to more than \$200,000 in wasted fuel. The amended policy aims to decrease corporate fleet vehicle idling with stricter fuel consumption protocols that will serve to reducing greenhouse gas emissions, air pollution and fuel costs. For more information, [read the staff report.](#)

HOLIDAY TREE SEARCH

The Halifax Regional Municipality is looking for submissions of large spruce or balsam trees for the holiday tree lighting ceremonies at Grand Parade Square and Sullivan’s Pond. Submissions can come from anywhere in the province. Trees must be on private property and accessible from the street. The ideal size is 6-10 metres tall for the Sullivan’s Pond location or 9-16 metres for the Grand Parade location. [Email us](#) with any questions or submission information. For more details, visit our [website](#).

Green Tip

As the snow begins to melt, the evidence of a long winter and some careless garbage habits is revealed. Litter is an eyesore, poses health risks, affects water quality, and is often mistaken as food by wildlife. Studies show that litter begets litter, meaning people tend to litter in areas where there is already garbage on the ground. If you’re noticing a lot of trash in your community, why not consider joining or organizing a community clean up. This year the Nova Scotia Adopt-A-Highway program has taken over the delivery of Great Nova Scotia Pick-Me-Up, a volunteer-driven community clean-up program. You can apply to host a clean up with support from the Adopt-a-Highway program [here](#).

DARTMOUTH BOXING CLUB COMPETITION

Congratulations to the [Tribal Boxing Club’s](#) five athletes who have qualified to participate in the 2019 [Canadian Boxing Championships](#) this month. Trained under club trainer Bridget Stevens, one of the few female instructors in the region and accomplished competitor, these five young people will be challenged by athletes from all over the country. Renae Cowal, Natali Fagan, Eddie James, Holly McDonald and Mohamed Milad we wish you all the best as you compete to achieve your personal best and honour your club and trainer!

REJECT AND REPORT FRAUD

According to the Canadian Anti-Fraud Centre, Nova Scotians lost \$375,476.87 to fraudsters in 2018. March was Fraud Prevention Month and the Nova Scotia RCMP want to help you recognize, reject and report fraud. Every year, thousands of Canadians fall victim to fraud, losing millions of dollars. The top five scams in Nova Scotia in 2018 based on dollar losses were:

- 1) Romance scams** Scammers capitalize on the vulnerability of those looking for love or companionship and extract significant amounts of money from victims.
- 2) Extortion scams** Scammers come up with new reasons why you urgently need to pay them money.
- 3) Merchandise scams** Scammers sell fake, imitated or poor-quality products and advertise them at low prices so the victim thinks they're getting a good deal.
- 4) Sale of merchandise by complainant** Scammers pose as online buyers and trick the seller into taking their merchandise, money, or both.
- 5) Service scams** Scammers pretend to represent a well-known computer based company and claim the victim's computer has viruses, or has been hacked, and must be cleaned. The victim pays for a service that was never needed.

The best way to fight these types of crimes is through awareness and education. I want to say a special thank you to Fire Services employee Andrea for sharing her story so others don't become a victim. You can hear Andrea's story [here](#).

PROPERTY TAX EXEMPTION DEFERRAL

The Property Tax Exemption Deferral Program is available to all homeowners with a gross household income below \$34,000 (this threshold is adjusted annually) and allows the homeowner relief with a rebate, a payment plan or a combination of the two. The program opens June 1st and closes Dec 31st each year.

You can find out more by calling 3-1-1 or [emailing](#) our property tax team. More detail can be found on our [website](#).
