Regional Council direction

August 1, 2017 Motion directed staff to:

1. Consider the application as a site-specific amendment to the current municipal planning strategy policy, subject to the proposal:
 - a) **generally aligning with the June 2017 Centre Plan document** relative to **Urban Structure, Height and Floor Area Ratio**, and
 - b) addressing the planning principles of **transition, pedestrian-orientation, human-scale, building design, and context-sensitive** as outlined in the staff report.

Role of HAC

- HAC must make a recommendation to Regional Council based on interpretation of the proposed Municipal Planning Strategy (MPS) policy and its merits when evaluated against the criteria of Regional Plan Policy CH-16.
- Provided the MPS policy is approved, a separate application for a development will come forward to HAC for review under Regional Plan Policy CH-16.
