[This email has been received from an external person or system]

Hello,

On behalf of Healthy Halifax Communities Partnership and the Rural Access to Physical Activity Action Team, I'm writing to request that we present at the TSC's upcoming June 20th meeting regarding the completion of an Active Transportation Plan in East Preston. I will be presenting along with my fellow committee member and resident of East Preston, Tammy Ewing. As we discussed with Judith, we request 10 minutes in order to give us time to provide background on the collective process of this project and the importance of this initiative for the community.

We will forward the slides for the presentation by this Thurs at 2:p.m.

If you require other information, please don't hesitate to reach out.

Sincerely,

Catherine Droesbeck, Coordinator
