TO: Mayor Savage and Members of Halifax Regional Council

SUBMITTED BY: _____
Commissioner Steve Craig, Chair, Board of Police Commissioners

DATE: June 12, 2019

SUBJECT: **Board of Police Commissioners Annual Report - 2018**

ORIGIN

A motion passed by Halifax Regional Council on June 13, 2017:

THAT Halifax Regional Council:

.....

f. Require the Board of Police Commissioners to provide an annual report to Council outlining its achievements in the past year and work plan for the coming year.

The Board of Police Commissioners requested that the Legislative Assistant maintain a record of the Board's business annually thereafter.

BACKGROUND

The Board of Police Commissioners is a municipal body required by provincial statute (*Police Act*, S.N.S. 2004 c. 31) for any municipality in Nova Scotia that establishes a municipal police department. The Halifax Board of Police Commissioners gets its mandate from the *Police Act* (s. 55(1)), and is responsible for providing civilian governance on behalf of Halifax Regional Council. This civilian governance extends to the enforcement of the law, the maintenance of law and order, and the administrative direction, organization and policy development required to maintain an adequate, effective and efficient police department.

Although the Board is responsible for the creation of the budget for the Halifax Regional Police, it has no power to raise revenue on its own behalf, and the final budget must be approved by Regional Council (s. 53).

In the case of HRM, since Regional Council has elected to share the responsibility for policing within the Municipality between Halifax Regional Police and the Royal Canadian Mounted Police ("RCMP"), the Board has a dual role. First, it acts as a governing board for Halifax Regional Police (the municipal police department) on behalf of Regional Council. Secondly, it acts as an advisory board to the RCMP, Halifax District Detachment, pursuant to s. 57 (1) of the *Police Act*. As the RCMP is federally regulated, it is not

subject to the jurisdiction of HRM and is not subject to civilian governance as provided for through the Municipal Government.

There are seven (7) members on the Board of Police Commissioners: six (6) are appointed by Regional Council and one (1) is appointed by the Nova Scotia Minister of Justice. Of the six (6) appointed by Regional Council, three (3) are Councillors and three (3) are community members. Through this composition, the Board seeks to act as the link between the community and police services in the Municipality.

For jurisdictional maps of the areas policed by the Halifax Regional Police as well as the RCMP, Halifax District Detachment, please refer to Attachment 1.

For further information on the legislative authority of the Halifax Board of Police Commissioners, please refer to Attachment 2.

In accordance with the Board's mandate under Sections 53 and 55 of the *Police Act*, as well as Section 8 (2)(e) of By-law P-100 Respecting the Board of Commissioners for the Halifax Regional Municipality, the Board of Police Commissioners worked with Chief Jean-Michel Blais to oversee the development of the 2018/2019 operating budget for the Halifax Regional Police. In December of 2017, the Board approved a proposed net operating budget for 2018/2019 of \$86,985,000, to be forwarded to Regional Council for final approval. At the February 14, 2018 meeting of the Budget Committee, the Committee deferred consideration of the proposed HRP budget, and requested that the Board approve an alternative budget proposal based on a \$550,000 reduction for Council's consideration. At their February 26, 2018 meeting, the Board approved an alternative proposed 2018/2019 operating budget of \$86,435,000, which was approved by Regional Council on March 28, 2018.

At the March 28, 2018 meeting of the Budget Committee, the Committee approved the funding request for six (6) additional sworn officers in the amount of \$225,000.

- **Board of Police Commissioners Policy Manual Approval:**

Through the Board of Police Commissioner Work Plan Working Group, the Board continued their work to develop the first iteration of the Board of Police Commissioners Policy Manual. The policies were developed to guide the Board as it carries out its governance role. The four original policies included in the manual refer to the Board's authority to develop policy, the role and responsibilities of the Board, role of the Chair, Vice-Chair and members, as well as communications and community outreach. The Board approved the Policy Manual at their April 16, 2018 meeting. At their September 17, 2018 meeting, the Board approved a fifth policy for inclusion in the Policy Manual, being the Board of Police Commissioners Stakeholder Engagement Policy. The full Board of Police Commissioners Policy Manual is available on the Board of Police Commissioners' webpage: <https://www.halifax.ca/city-hall/boards-committees-commissions/a-c/board-police-commissioners/board-policy-manual>

- **HRM Police Services Complaint Communications Plan:**

At their April 16, 2018 meeting, the Board requested that HRP and RCMP, Halifax District staff work together to prepare a comprehensive HRM police services complaint communications plan. The request was aimed at educating the public about the processes and procedures for filing complaints against police officers, as well as the difference between the two HRM police services. Following this direction, HRP and RCMP, Halifax District staff consulted with the Police Diversity Working Group (PDWG) and gathered their feedback, prior to preparing the Communications Plan. At the Board's meeting on May 28, 2018, HRP and RCMP, Halifax District staff provided the Board with a presentation on the resulting Police Complaints Communication and Public Education Plan, which outlined steps for greater consistency in reporting, greater public awareness, and improved staff training.

- **Chief of Police Performance Evaluation Process:**

In accordance with the Board's legislated mandate under Sections 55(b) and 55(i) of the *Police Act*, the Board of Police Commissioners oversaw the annual performance review of the Chief of the Halifax Regional Police. This included establishment of set goals and objectives for 2018/2019, the Chief's Mandate Letter, and providing direction to complete a "My Action Plan" (MAP) document for the Chief of the HRP. At their April 16, 2018 meeting, the Board endorsed the Chief's Mandate letter for 2018/2019.

- **Recruitment Process for New Chief of the Halifax Regional Police:**

In June of 2018, Chief Jean Michel Blais provided notice that they would retire from the position of Chief in March of 2019. In accordance with Section 7A of By-law P-100 Respecting the Board of Commissioners for the Halifax Regional Municipality, the Board initiated the process for overseeing the recruitment of the next Chief of the Halifax Regional Police. At the Board's

meeting on July 16, 2018, the Board created a six (6) member Recruitment Committee to oversee this process, and appointed Jacques Dubé, Cathi Mulla, Commissioner Steve Craig, Commissioner Carole McDougall, Commissioner Natalie Borden, and Commissioner Anthony Thomas to the Committee. The recruitment process carried over into 2019, with the Board receiving regular updates from staff and the Recruitment Committee throughout 2018.

- **Proposal for Changes to Statistics Reporting to the Board:**

Following the Board's 2018/2019 Work Plan, Commissioner Borden worked with HRP and RCMP, Halifax District staff to initiate a review of the data and statistics that are regularly reported to the Board from HRM police services. The goal of this review was to identify what information and data is necessary to facilitate the Board effectively and efficiently carrying out its legislated mandate to provide civilian governance and oversight of policing services within the HRM. At the Board's meeting on September 17, 2018, Commissioner Borden provided the Board with an overview of recommendations that were developed in consultation with HRP and RCMP staff; with the focus being reporting on statistics that are central to the mandate of the Board. Feedback was collected from Commissioners, and Commissioner Borden noted that they would return with a finalized proposal in 2019.

- **Canadian Association of Police Governance (CAPG) 29th Annual Conference in Winnipeg, MB:**

Four (4) members of the Board of Police Commission attended the national Canadian Association of Police Governance (CAPG) conference in August of 2018. At the conference, Commissioners were able to attend lectures and seminars relating to hiring practices for new Police Chiefs, the changing social environment of policing, and aboriginal youth outreach programming, among other topics.

- **HRM Street Checks Report:**

The Nova Scotia Human Rights Commission engaged Dr. Scot Wortley to conduct research regarding street checks in the community and report on the results and their recommendations. His research has included community meetings, meetings with African Nova Scotian youth, interviews with members of HRP and RCMP, as well as meetings with community leaders. Throughout 2018, the Board received regular updates on the progress of the report. At a December 13, 2018 special meeting of the Board, Dr. Scot Wortley provided the Board with an In Camera (In Private) presentation on the preliminary findings of the report in anticipation of the final report being released in early 2019. With this information, the Board initiated steps to work towards developing the Board's response to the report's findings; a process that continued into 2019.

- **2019/2020 Halifax Regional Police Operating Budget and 2019/2020 Business Plan Deliverables:**

In accordance with the Board's mandate under Sections 53 and 55 of the *Police Act*, as well as Section 8 (2)(e) of By-law P-100 Respecting the Board of Commissioners for the Halifax Regional Municipality, the Board of Police Commissioners worked with Chief Jean-Michel Blais to oversee the development of the 2019/2020 operating budget for the Halifax Regional Police. The Board held meetings on December 10, 2018, and again on December 17, 2018 to review and revise the proposed 2019/2020 Halifax Regional Police Operating Budget as submitted by HRP staff. Following a review of the draft, the Board passed a motion for HRP staff to prepare the final 2019/2020 operating budget to be presented to Regional Council, based on a proposed net budget of \$89,954,200, which was subsequently revised to \$89,270,000 when the budget proposal went before Council in 2019.

Board of Police Commissioners Work Plan – 2018/2019

The Board of Police Commissioners developed their current Work Plan in the Summer of 2018, and have continued to work on the action items outlined in the Plan for the remainder of 2018 to the present. During this period, the Board has completed several of the items in the Work Plan, as outlined above. The Board's work on the remaining action items is ongoing, with the Board planning to update the Work Plan during 2019.

The following is an overview of some of the remaining items on the Board of Police Commissioners' Work Plan developed for 2018/2019:

- **Develop Board Orientation Toolkit:**

In accordance with the requirements set out under section 54 of the *Police Act*, the Board of Police Commissioners is required to ensure that all Commissioners receive appropriate orientation and training to carry out their duties as Commissioners. To this end, the Board will develop an orientation tool kit for new Commissioners which will assist in ensuring that all Commissioners are equipt to meet their responsibilities to the Board.

- **Develop Policy Regarding Complaints Concerning the Chief of the HRP:**

In accordance with the Board's legislated mandate under sections 55(b) and 55(i) of the *Police Act*, the Board of Police Commissioners is responsible for handling complaints and evaluating the performance of the Chief of the Halifax Regional Police. To this end, the Board will develop a policy that will guide the Chair and the Board in fulfilling this mandate. Once approved, the policy will be incorporated into the Board of Police Commissioners Policy Manual and will be made available to the public.

- **Develop Policy on Extra-duty and Off-duty Employment:**

Under section 56 of the *Police Act*, the Board of Police Commissioners is required to develop a written policy respecting extra-duty and off-duty employment by members of the Halifax Regional Police. To this end, the Board will develop a policy that will fulfill the legislated requirements set out under the *Act*. Once approved, the policy will be incorporated into the Board of Police Commissioners Policy Manual and will be made available to the public.

- **Develop Policy on Evaluating Engagement of Board Members:**

The 2017 Board Work Plan suggested that engagement of Board members be evaluated to ensure the work of the Board continues to engage members. The policy manual approved in April 2018 makes reference to Board evaluation but does not include a board survey to measure engagement. A specific policy with a measurement tool will be developed in the upcoming year for this purpose. Once approved, the policy will be incorporated into the Board of Police Commissioners Policy Manual and will be made available to the public.

- **Develop Policy on Surveys to Measure Community Trust:**

The practice of surveying the community to understand the level of trust and confidence was reinstated by the Board in 2017. The policy that will be included in the Board's Policy Manual will outline the value and frequency of evidence-based research to ensure the Board has an understanding of the level of trust and confidence community members have in policing services.

The awareness gained from such surveys will be used to guide the Board's community outreach initiatives.
