MEMORANDUM

TO: Chair and Members of the Transportation Standing Committee

FROM: David Jackson, Chair of the Active Transportation Advisory Committee

DATE: October 11, 2019

SUBJECT: Active Transportation Advisory Committee Update

- Mark Nener, Active Transportation Planner, shared a presentation on the engagement strategy for Institutional District Complete Streets Project – an all ages and abilities bikeways project on the University Avenue-Morris Street corridor and Robie Street south of University Avenue
- The Committee received information about new active transportation features in Halifax, namely two-stage bicycle turn boxes, shared bike lane bus stops and cross rides for multi-use pathways
