KINGSWOOD NORTH PARK PLANNING PROJECT – PUBLIC WORKSHOP - NOVEMBER 21ST

Kingswood North is home to three undeveloped park parcels: Viscount Run Park, Bryanston Road Park, and Savoy Avenue Community Park. This fall, HRM Parks and Recreation is looking to the Kingswood community to share their vision for these park parcels. We want to understand the park issues and opportunities as you see them. The objective of this park planning project is to identify future park upgrades that are consistent with community input and that can be phased-in over time.

Join us for a public workshop on:

DATE: Thursday, November 21, 2019
TIME: 6:30 p.m. to 8:00 p.m.
LOCATION: Kingswood Elementary School
34 Vrege Court, Hammonds Plains

Requests for additional project information and questions can be directed to Stephen Cushing, Landscape Architect, HRM Parks and Recreation, cushins@halifax.ca, 902-579-1041.

LUCASVILLE ROAD – HALIFAX WATER WATERMAIN TWINNING PROJECT UPDATE

Work on the Lucasville Road watermain twinning project is nearing completion. The new watermain has been installed and is now in the process of being tested and commissioned.

The majority of base level asphalt has been laid. Three connections to, or crossings of, the existing main have been completed: this work necessitated the closures of Lucasville Road on weekends this past month. The good news is the Contractor worked hard to do this work over two weekends instead of the originally projected three.

Paving of the final layer of asphalt, in most sections of the work area, should be underway or completed. The section fronting Timber Trails will be paved last as there is still work to be completed on the existing main in this area.

Reinstatement of the edges of the road and remaining culvert work will continue over the next few weeks. It is anticipated that equipment will be offsite by mid-November. Some of the re-instatement work along the ditches, such as grass and other planting, may need to be carried over to spring 2020 for favorable planting conditions.

Thank you everyone for your patience, understanding and cooperation.
