MR. ROY MANTLEY, AFRICVILLE

We have an application from Mr. Roy Mantley, Africville, to keep pigs on his premises. Mr. Mantley was recently found guilty of keeping pigs without a permit to do so, and was subsequently fined by the court. He had a permit dated 1932 but had failed to make yearly renewals. It has been a policy in recent years for our Department to refuse to grant permission for the keeping of pigs within the city limits and there does not appear to be any reason why this should be an exception.

Respectfully submitted,

Allan R. Morton, M.D., M.P.H., F.A.P.H.A.,  
Commissioner of Public Health & Welfare.

Moved by Alderman Abbott, seconded by Alderman MacMillan that the recommendations contained in this report be approved.  
Motion passed.
