Petition from rate payers in ward 6 asking for the removal of Mr. Rimmels as Principal of the Richmond School (removed from the Board), was read and after being duly considered it was resolved to recommend to the Board, that owing to the nature of the charges preferred against Mr. Rimmels by petitioners, the matter should be transferred to the Joint Committee of the North District to report upon.

The petition from residents of "Aurora" asking for a school to be opened in that parish was read and no action deemed necessary for the present.
