

Tuesday

17 October

1882

Bowles, principal of Albert St School, referred to this committee by the Board.

Mr. Bowles asks for six months' leave of absence to enable him to qualify himself for another sphere of usefulness.

On motion of Comr: Shand, seconded by Comr: Lawson it was Resolved that the Committee recommend that Mr. Bowles's request for six months' leave of absence be granted.

A letter of Mr. Burke, principal of St Mary's School (Sep 19) relative to the attendance &c in the different departments in that school, which had been referred by the Board was read. —
no action was taken

Read two petitions, referred by the Board; —
one, from the teachers of the High School
the other, from the teachers of the Common School, and the Supervisor both, praying for the restoration of the ten per cent reduction made in the salaries under resolution of the Board of October 30: 1879

On motion of Comr: Shand, seconded by Comr: Lawson, it was Resolved that the Committee report that in their opinion the ten per cent should be restored.

The Board having referred the
