On

On motion of Commissioner Shana, it was

Resolved that this committee recommend that the study of classics shall be left optional to all pupils of the High School except those holding Honor Scholarships

The supervisor, secretary, and several teachers having examined the two maps of the Dominion submitted strongly recommended for school use that published by W. & A. K. Johnston Edinburgh & London rather than that prepared under the direction of the Education Department of Ontario and executed by the Purland Lithographic Co of Montreal.

The committee thereupon selected the Johnston map and the Chairman was requested to make the purchase of the twenty five copies authorized by the Board

Read a petition from the residents of Africville on the Campbell Road asking for school privileges

It was Resolved that the committee recommend that a school be opened at Africville and that this Com. be authorized to employ a teacher.
