

Monday

15 October

1883

his daughter Blanche Russell to Brunswick and Agricola Sr Schools and requests that she be admitted to the Brunswick Sr School or such other school as maybe suitable to her sex years and attainments.

The question was discussed and deferred for the present, still remaining under consideration

Mr. J. W. Skerrett, appointed some time since to the Africville School, having informed the Board that he has received a Grade D license, and asked for a salary corresponding thereto, and the Board having referred the question to this Committee;

(4) The Committee find that "the scale" does not fix any salary for Grade D. male teachers; they recommend that Mr. Skerrett's salary be \$350⁰⁰ from 1st October, with an increase of \$20⁰⁰ a year at the time of the usual revision until it reach \$450⁰⁰ the first increase to be made Nov 1st 1883
