with Brunswick St School and recommend that forty dollars be offered for the two years ended 1<sup>st</sup> September and that the occupation be continued at twenty dollars a year.

2. - They recommend that the tender of the Queen Insurance Company to insure the School buildings and furniture at the rate of sixty four cents per hundred dollars for three years be accepted, that tender being the lowest.

3. - Finding the amounts insured on furniture in some schools much greater than its value the Committee submit a revised list.
