Diphtheria Immunization Contd.

provided by the Junior Service League and some money re-
maining from the Halifax - Massachusetts Relief Fund.
The Halifax Medical Society would carry out the work
at a charge of 50¢ per child, and those who were unable
to pay would be treated free of charge. It further stated
that the matter would be purely voluntary, and
suggested that the Scheme be undertaken right after
Christmas vacation.

On Motion of Commis. McInnes and Smeltzer
the Board approved of the Scheme, and referred the
matter to Mr. Sullen to arrange with Dr. Lyant
and School Nurses.

The Chairman thanked the Delegation for their
attendance and interest in the matter, after which
they retired.
