[This email has been received from an external person or system]

Hi,

I am writing as a co-chair of the Beechville Lakeside Timberlea Rec Centre Community Consultation Committee.

We would like to present to the Halifax and West Community Council on March 11th and the Northwest Community Council on March 9th. We will address our Build The BLT Rec Centre campaign.

Please confirm that we will be on the agenda.

I can be reached at [REDACTED]

Cheers,

Ken Donnelly
