<b>Subject: Sack-a-wa Canoe Club Funding Request</b>		
<b>Motion for Council to Consider:</b>  THAT North West Community Council authorize the expenditure of \$120,000 from the Community of Sackville Landfill Compensation Fund to the Sack-a-wa Canoe Club to complete renovations at their facility.		
<b>Reason:</b>  The Sack-a-wa Canoe Club is a non-profit organization whose primary focus is to provide a forum where recreational paddlers have an opportunity to develop into high performance athletes. Sack-a-wa offers summer programs for both new and experienced paddlers, as well as a year-round fitness and training for competitive athletes. It offers a youth paddling program, a masters program for adults as well as access for individuals with disabilities through their PaddleAll Program. The success of these programs has meant that the Club has outgrown their current space and has been undergoing renovations. Funding will assist in completion of these renovations.		
<b>Outcome Sought:</b>  \$120,000 to be made available to the Sack-a-wa Canoe Club for renovations.
