RECOMMENDATION

It is recommended that the Audit & Finance Standing Committee forward the First Quarter 2020/21 Financial Report to Regional Council for their information.

DISCUSSION

Operating Statement:

At June 30, 2020, HRM had projected a General Rate deficit of \$225,900.

The business units have a projected deficit of \$626K combined with a projected surplus of \$400K in Fiscal Services.

The projected deficit is primarily due to decreased enforcement and parking permits due to a drop in parking volumes in the downtown core as well as delayed opening of customer service centres, increased maintenance in Transit facilities due to aging infrastructure, earlier than anticipated increase in ferry service hours; increased transit vehicle maintenance costs, delayed closure of two customer contact centres, and additional costs for supplies and cleaning in the wake of Covid-19.

These costs have been partially offset by the cancellation of the 2020/21 Internship program, compensation and benefits savings, increased recoveries in Police for Emergency Health Services and back check services and decreased fuel and maintenance costs due to reduced transit services.

A detailed explanation of variances by business unit is included in Attachment #2.

District Capital Funds:

The report of expenditures from Councillors' District Capital Funds is included as Attachment #3 and shows that \$1.5M of the \$2.3M budget has been spent or committed.

District Activity Funds:

The report of expenditures from Councillors' District Activity Funds is included as Attachment #4 and shows that \$40.5K of the \$72K budgeted has been committed or spent.

Recreation Area Rate Accounts:

The details of the Recreation Area Rate Accounts are in Attachment #5. These accounts began the year with a surplus of \$1.5M. \$62K has been spent, leaving a surplus of \$1.44M.

Reserves Statement:

The reserve balances at June 30, 2020 are \$357.0M, with projected available funds at March 31, 2021 of \$207.2M. The details are included in Attachment #6.

Aged Accounts Receivable:

The Aged Accounts Receivable schedule, included as Attachment #7, represents HRM's gross unconsolidated accounts receivable position which was \$56.5M as at June 30, 2020.

Capital Projection Summary:

The Capital Projection Summary is included as Attachment #8. For the three-month period ended June 30, 2020 actual expenditures in these projects were \$22.7M, in addition to actuals there are commitments of \$127.8M for a total of \$150.5M. Project Managers are projecting to spend \$223.2M on these projects in Fiscal 2020/21.

Hospitality Expenses Summary:

The quarterly Hospitality Expenses Summary is included as Attachment #9. For the three-month period ended June 30, 2020 actual hospitality expenditures were \$93 as the COVID-19 pandemic has curtailed virtually all spending in this area.

Mayor, Councillors and CAO's Expenses:

The report, included as Attachment #10, summarizes the expenses made by the municipality on behalf of or reimbursed to the Mayor, Councillor and CAO for the quarter. This reporting is a new requirement of the Province as laid out in the updated FRAM (Financial Reporting and Accounting Manual) and will be included in the quarterly report on a go-forward basis.

FINANCIAL IMPLICATIONS

Explained in the report.
